CITIZENS BANQUET.

The citizens of Austin gave a banquet at Elk's hall Thursday evening in honor of the guests from away who were guests at the Mower county fair. Plates were laid for 200. It was a source of much regret that Senator Clapp had to leave in the afternoon or Bemidji and could not be present. Officers of the State Agricultural society, Congressman Tawney, Editors Hurley and Edwards of Albert Lea, Sam Langum of Preston, J. M. Diment of Owatonna, Attorney R. L. Odell of Minneapolis were among the guests in honor. The banquet was served by the Lady Foresters of this city and was as fine a spread as was ever provided here.

After the banquet N. F. Banfield as toastmaster, introduced several speakers. Col. A. W. Wright made a fine response to the toast "Ifs." L. D. Baird gave a practical business man's emphasis to the toast "Get Busy." Prof. Boostrom spoke of our need of a new federal building here. R. E. Shepherd, R. L. Odell, W. A. Nolan, F. P. McBride, Editors Hur-

ley, Edwards and Langum, Postmaster Diment of Owatonna, Rev. E. H. Devlin and John Frank were among the other speakers. Congressman Tawney spoke on the government policy regarding public buildings. Postoffice buildings are granted to cities only after they have reached a specified amount of postal receipts. The cost of these buildings is limited to a certain rate for all towns of the same conditions. The committee of public grounds and buildings authorizes these government buildings, not the committee on appropriations. Mr. Tawney also spoke on his states' rights hobby which has been so much discussed and criticised.

The meeting continued until after midnight.

Out of Sight.

"Out of sight, out of mind," is an old saying which applies with special force to a sore, burn or wound that's been treated with Bucklen's Arnica Salve. It's out of sight, out of mind and out of existence. Piles too and chilblains disappear under its healing influence. Guaranteed by K. O. Wold Druggist, 25c.

Farewell for Miss Laura Gregg.

About twenty members of the U. T. D. club and their gentlemen friends were entertained Friday evening by Miss Laura Gregg at Columbia. The evening was spent pleasantly with a merry go round and other recreation. A fine luncheon was served. Music and other entertainment added to the pleasure of the evening. Sticktight picking was a special feature. On Monday evening the girls of the U. T. D. gave a 6 o'clock dinner for Miss Gregg at the home of Miss Dorothy Knopf. Covers were laid for ten. A bountiful picnic dinner was served and the evening was spent socially. In behalf of the club, Miss Inez French presented Miss Gregg a beautiful gold locket as a token of esteem and friendship. At 8 o'clock the club went in a body to the Gem theater. Miss Gregg left this morning for Tacoma, Wash., to spend a year with her sister, Mrs. H. N. Stillman, and attend the business college there. Her many friends here will miss her greatly.
