

# Throat Coughs

Ask your doctor about these throat coughs. He will tell you how deceptive they are. A tickling in the throat often means serious trouble ahead. Better explain your case carefully to your doctor, and ask him about your taking Ayer's Cherry Pectoral.

Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over sixty years. If you have the slightest doubt about using these pills, ask your doctor. Do as he says, always.

We understand one of our fine young ladies is to be married today. Albert Hanson has rented the Dahl house now occupied by James Leslie and will move in as soon as the latter vacates. Mr. Hanson will run the dray line in Brownsdale as Mr. Hoy expects to quit soon and go to North Dakota with his two teams. M. B. Johnson went to Grand Meadow on Monday. He shipped his car of household goods and the family went on Tuesday. The G. A. R. presented Mr. Johnson with a beautiful nickel name plated cane. We are sorry to lose this estimable family who have been residents of this locality for so many years. Mr. Johnson is one of our leading citizens and has always held some public office. But what is our loss is Grand Meadow's gain.

The Sunday school session at the Baptist church last Sunday proved to be quite interesting. The M. E. Sunday school accepted the invitation and were present. The exercises opened with the familiar song, "Keep Sweet." The school then joined in the repeating of the Lord's prayer. The male quartette rendered the song "At the Feast of Balthazar." The "organization of the first Sunday school" and the sequel to it was put in poetry form and recited by Masters Howard Gillett and Jasper Quimby. G. M. Shortt and W. F. Iorns sang a duet. The ten commandments were repeated by the young boys, each one having a commandment. Another song and then the trial, "Paul's defense before King Agrippa." George Merrill representing Paul, E. P. Merrill King Agrippa and L. L. Quimby, Festus. At the conclusion of the trial sides were chosen for a "spell down." Mrs. T. B. Iorns representing one side and Mrs. L. L. Quimby the other. They chose for their sides from those present, and Supt. J. H. Thompson fired questions at them from the lessons of the past quarter. About 45 questions were used in the time given, and all had "went down" with the exception of Miss Jessie Hillier, Mrs. G. M. Shortt, James Fries and Mrs. L. L. Quimby.

Rev. W. R. Memmert filled his appointment at Waltham as usual last Sunday but when getting about third way home on his way back he was spilled out and the horse came trotting into Brownsdale without preacher or cutter.
