Women Who Are Envied

Those attractive women, who are lovely in face, form and temper are the envy of many, who might be like them. A weak, sickly woman will be nervous and irritable. Constipation or kidney poisons show in pimples, blotches, skin eruptions, and a wretched complexion. For all such, Electric Bitters work wonders. They regulate Stomach Liver and Kidneys, purify the blood, give strong nerves, bright eyes, pure breath, smooth velvety skin, lovely complexion. Many charming women owe their health and beauty to them. 50c at K. O. Wold's drug store.
