

## When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

**Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.**

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and absolutely confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about women's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps.

How will you keep the boy on the farm?

You may do what you will for the healthy lad—put him in Eden—give him what he most desires, he still has a longing at heart—a longing for travel and toward the town.

In the New Rambler he will find healthy recreation when his tasks are over—a sense of responsibility and pride in driving such a car—a pleasure exceeding any offered by the town. Certain features absolutely essential in a car for country roads are found exclusively in the Rambler.

To the offset crank-shaft is due its hill-climbing superiority. The Rambler Spare Wheel saves the worry and much of the expense due to tire trouble. Compare those big wheels with smaller ones on other cars. Big tires, long wheel-base and aluminum front floor are necessary to your comfort and satisfaction.

## Lion Fondles a Child.

In Pittsburg a savage lion fondled the hand that a child thrust into his cage. Danger to a child is sometimes great when least regarded. Often it comes through Croup, and Whooping Cough. They slay thousands that Dr. King's New Discovery could have saved. "A few doses cured our baby of a very bad case of Croup," writes Mrs. George H. Davis, of Flat Rock, N. C. "We always give it to him when he takes cold. Its a wonderful medicine for babies." Best for Coughs, Colic, LatGrippe, Asthma, Hemorrhages, Weak Lungs, 50c. \$1.00. Trial bottle free. Guaranteed by K. O. Wold's drug store.

## Y. W. C. A. ANNUAL MEETING.

About 200 young women met at the M. E. church Wednesday evening, members of the Y. W. C. A. to enjoy the banquet and attend the annual meeting. The banquet was first class. Mrs. J. H. Skinner was toastmistress and the following toasts were responded to: Just Four Years Old, Mrs. Ada Morgan-Crane; The Powers That Be, Miss Jane Todd; Geneva, Miss Mamie A. Robinson; The Stuff That Dreams Are Made of, Miss Elizabeth Fish. These were uniformly excellent. At the business meeting the treasurer reported total receipts of the year \$940.42 and expenditures of \$745.24, leaving a balance of \$195.18 to meet the expenses until September. The following were elected new board members: Mrs. J. L. Mitchell, Miss Jennie Keith, Mrs. K. O. Wold, Mrs. Chas. H. Gibbons. Following the banquet there was a general meeting in the auditorium presided over by John G. Hormel. Rev. C. W. Holmes offered prayer. Miss St. Amour, the local secretary, gave a report of the past year's work which showed that over 4,000 had visited the rooms during the year. Following this came the principal address of the evening by Dr. Andrew Gillies of Minneapolis. He spoke on Christianity and Social Order. He spoke of the progress made in successive generations, the adaptation to new conditions and problems and the best methods of solving the social and moral problems of today by up to date methods. He dwelt upon the fact that while faith without works is dead, the converse is equally true that works to be acceptable to God and in the true spirit must be accompanied with faith. He took an optimistic view of affairs of today and believed that thru the various agencies for doing good there was great hope of enlarged success.

## Y. W. C. A. LECTURES.

Miss D. L. Pearce, head nurse and supervisor of hygiene at the state agricultural school, spent last week in Mower county under the auspices of the Y. W. C. She spoke at Brownsdale Monday, Dexter on Tuesday, Grand Meadow on Wednesday, Le Roy on Thursday, Austin

Caution Note: Be sure you get this stove—see that the name-plate reads "New Perfection."

## New Perfection Oil Cook-stove

Gives no outside heat, no smell, no smoke. It will cook the biggest dinner without heating the kitchen or the cook. It is immediately lighted and immediately extinguished. It can be changed from a slow to a quick fire by turning a handle. There's no drudgery connected with it, no coal to carry, no wood to chop. You don't have to wait fifteen or twenty minutes till the fire gets going. Apply a light and it's ready. By simply turning the wick up or down you get a slow or an intense heat on the bottom of the pot, pan, kettle or oven, and nowhere else. It has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for coffee, teapot or saucepan, and even a rack for towels. It saves time, worry, health and temper. It does all a woman needs and more than she expects. Made with 1, 2, and 3 burners; the 2 and 3-burner sizes can be had with or without Cabinet.
