'IN A BAD WAY', ENCAMPMENT PREPARATIONS

Many an Austin Reader Will Feel Grateful for This Information.

If your back gives out; Becomes lame, weak or aching; If urinary troubles set in, Perhaps your kidneys are "in a bad way."

Doan's Kidney Pills are for weak kidneys.

Local evidence proves their merit.

Fred A. Launfle, 306 Division St. Austin, Minn., says: "I have found Doan's Kidney Pills to be a fine kidney medicine. Three or four years ago I had more or less trouble with my back. I suffered from a steady, dull ache in the small of my back and I felt it severely when I stooped or lifted. If I moved quickly, sharp twinges darted through me. My kidneys showed signs of weakness and disorder. I attribute the trouble to my former work of rail-roading, as the jolting and rough-riding tells on nine out of every ten men. Using Doan's Kidney Pills, I got quick and thorough relief. I have taken Doan's Kidney Pills since and they have always brought good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
