His Favorite.

When a girl asked Mark Twain his favorite motto, he answered, "Not guilty!"

The Matter with Mexico.

Admiral Chadwick, in a letter to the New York Sun, paints the situation in Mexico eloquently and truly. He says: To the student of things Mexican certain things are or should be clear.

1. That Mexico has been governed by an upper class mainly of Spanish blood which owns the land and wealth of that country.

2. That below this class is an ignorant, immoral, intemperate mass of fifteen times perhaps as numerous as the other, owning nothing and practically serfs to the million, say, of the first class. Mexico is the Russia of two generations since, with the added great difficulty that these serfs are of several very diverse races of Indians with mixtures of all degrees. Mexico is thus fundamentally Indian in blood and temperament; not Spanish.

3. The unrest of this great mass of Indians and people of Indian mixture, ground since the Spanish conquest under the millstone of slavery, is the main cause of the revolution. They do not know what they want; they only know that they do not want what they have, which is nothing. Their revolt has almost as little of actual mentality, when one goes below the leaders, as has the movement of an earthquake, to which in a way it may be compared. And they are going to continue to revolt until they have some of the benefits of life; land to cultivate and the right to live their lives for themselves instead of for their (practical) owners. Thus any dictator set up by the higher class can only exist for long by armed oppression of this lower class, as did Diaz, a model despot.

SAFELY HOME

Peter Lausen and Wife Had Very Enjoyable Visit and Trip Across the Atlantic.

Austin, Minn., June 8, 1914.

PUBLISHER MOWER COUNTY TRANSCRIPT:

I am glad to be home again after 14 weeks absence across the Atlantic ocean in my boyhood home at Als in North Schleswig, Germany. My wife and I left Austin on the 27th of February at 7:20 p. m. for New York. We looked around in New York for two days and on the 2nd of March at 3 p. m. we sailed on the President Lincoln of the Hamburg American Line for Hamburg. It took 12 days to cross the Atlantic from New York to Hamburg, Germany. The President Lincoln is not a large ship. We reached Hamburg on the 15th of March at 3 a. m. and at 5 p. m. on the 15th we were home with my old father who is 85 years old and my youngest sister. My father did not know me but I knew him as soon as I saw him. We met him on the street and it was a joyful meeting, not having seen each other for 33 years. We were visiting around with some of my old schoolmates and friends for about six weeks. Then we went to Denmark, were in Copenhagen two days, went from there to Christiania, Norway, and we were looking around Christiania for two days. Then we went about 15 or 16 Norwegian miles or 105 or 110 American miles north of Christiania to visit my wife's uncle, aunt and two cousins. We had a good visit with them for four days. From there we took the train again through Norway, Sweden, Denmark and back to Als, Schleswig, my old home. We left home again on the 25th of May for Hamburg one day. We left Hamburg on the 27th of June on the big steamer Imperator. We had 4200 passengers and 1180 in the crew to run it, 5380 in all. Had a good voyage across the Atlantic and good weather. We saw five big icebergs Sunday the 31st of May. We reached New York the 3rd of June at 8 a. m. and left at 6 p. m. arriving in Austin at 2:40 p. m. on the 5th of June. We were glad to be back again. There is nothing in the world like America any more for me and we cannot be thankful enough that we can live in such a free country especially us foreigners who have seen how they live in other countries.

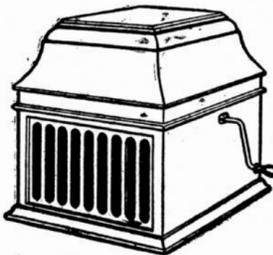

Respectfully,
P. LAUSEN.

Union Sunday School Picnic.

The churches invited to take part are the Baptist, Lutheran, Christian, Christian Science, Seventh Day Adventists, Methodist, Episcopal, Presbyterian, Congregational, and German Evangelical and the East Side Sunday school. If the 10th should be stormy, the picnic will be held the first pleasant day following. A few years ago there were over 700 in the parade. This year the number is expected to exceed 1,000.

June 3—Mason City at Albert Lea, score 3 to 2 in favor of Albert Lea.

June 4—Mason City at Austin. Austin defeated Mason City in a no hit game by a score of 1 to 0. It was the cleanest and best game won by Austin this season and Beebe showed his superior ability when he held them scoreless and without a hit. A year ago Beebe pitched another wonderful game against a Northern league team allowing no hits, no runs, no walks to the delight of the fans. It is a feat seldom accomplished. Only 23 batters faced Beebe during the nine innings with Mason City. Struck out by Beebe 6, by Palmer 7. Base on Balls off Palmer 2. Stolen bases, Emery Sacrifice hits, Beal and Evans. Umpire, Al. Wengert.

All Wound Up.

June 11 and 12—Mason City at Austin.

June 14—Dryers of Minneapolis at Austin.

June 21—Albert Lea at Owatonna.

June 27 and 28—Austin at Mason City

July 4—Owatonna in the forenoon, Mason City in the afternoon at Austin.

Manager Corrigan has resigned. Chase our wide-a-wake short stop is his successor.

"Dutch" Meany played a great game with the All-Stars and as a result he is back on the team again. "Dutch" has always been a great favorite of the Austin fans.

The Owatonna team has released Frank Byers. Sherrin and Barr are coming back.

Two trips have been arranged for the team. One for June starting Monday to Preston Harmony and Caledonia and one in July to Waseca, New Ulm, Marshall, Pipestone, Sioux Falls, Laverne and Jackson.

The games have not had a very good attendance lately. We have a ball park as good as any in the state and a fine grand stand, but need a better attendance.

LITTLE PIGS.

Or big pigs should have a feed that will produce bone, muscle and fat. You want the little fellows to grow and mature quickly, the older ones to keep strong and vigorous. In order to do this they should both have a feed that is rich in food values, such a feed is sold by J. W. HARE, the Feed Man and some of the largest feeders in the county are using his flour white Middlings for this purpose. It sells for \$1.35 per hundred and is better adapted to the feeding of hogs than some of the higher priced feeds. Comes in hundred pound sacks. Have you tried it? Carload just in. J. W. HARE, the Feed Man. 2t Adv.

SHERIFF RECOVERS MONEY.

We referred last week to the \$86 stolen by a young Russian 18 years old, one Stephen Muskal from two of his fellow Russians while they slept. Muskal hiked to Waltham, where he was arrested by Marshal Kezar and the sheriff brought him to the county jail. As only \$2 were found on him it looked for a while a difficult case as Muskal first denied the theft, then told different stories about his getting the money and finally said that he gave it to the officers at Waltham. Sheriff Nicholson went to Waltham and made a thoro search in the pasture where the thief was caught and he found the purse with about \$76 in it. Muskal awaits the action of the grand jury and unless he decides to plead guilty on the charge against him will have to languish in jail until the next January term.

History of Baseball.

While the origin of baseball is a disputed question, the first real game on record was played at Hoboken, N. Y., the same year that Texas was taken into the Union. The Knickerbocker Baseball club drew up the first real set of rules at that time. Organized baseball, however, is a development since the Civil war. The National league was not formed until 1875.

CARD OF THANKS.

We wish to thank all the friends and neighbors for their help and kindness during the long sickness and after the death of our loved one. We wish also to thank the Grange for their help and the lovely flowers and all the friends and neighbors who sent the lovely flowers.
