SWAN ANDERSON.

—Vasa township was the scene of a sad occurrence about nine o'clock on Monday morning last. We are told that Mr. C. C. Johnson was hauling a load of hay from the farm of Mr. John A. Anderson to his home, and was riding upon the load. Soon after starting his team took fright at something and started to run, and the pluge threw Mr. Johnson off forward apparently upon the mules. This increased their fright and falling from them he was caught under the wheels and run over and killed, his neck being broken and his skull badly fractured. A neighbor who happened to be near when the accident occurred ran at once to his aid, but he was not able to speak and probably was unconscious. He died in a

few minutes afterwards. The team ran on to the post-office, where it was caught and taken back to the scene of the accident, and the remains of the unfortunate man were carried to his home. Mr. Johnson was about fifty years of age and has resided in Vasa about fourteen years. He leaves a widow and four children, the oldest of whom is grown. He was in fair circumstances and was highly esteemed by his neighbors.

Laying the Corner Stone.

The ceremony of laying the corner-stone of the new Catholic Church of this city took place on Sunday last, and was the occasion of calling together a large number of people of the Catholic faith, as well as numerous lookers on of Protestant denominations. Bishop Grace's age and feeble health prevented his being present and the ceremony was performed by his assistant, Bishop Ireland. The latter was also present at the ten o'clock mass, preaching a sermon after that service, and again in the evening; thus, with his discourse on the occasion of the ceremony, making three addresses during the day. He was greeted by large audiences and his hearers were apparently deeply interested. The Bishop is an eloquent and able speaker and an earnest man, and his sermons are generally practical and instructive. From what we are told about his discourses on Sunday they were fully up to the standard of his usual efforts.

It is hardly worth our while to describe the ceremonies of laying the corner stone of a Catholic church, for the reason that so many of these edifices have been erected in this country during the past few years, that most of our readers have, no doubt, witnessed them. They are very imposing and are attended with a degree of solemnity calculated to make them peculiarly impressive. The procession on this occasion was under the direction of Messrs. John McGinnis, and C. L. Davis, who acted as marshals. It was formed at the old church on Fifth street in the following order:

Messrs. H. G. Jansen and Timothy McCue, leaders.

Acolytes with cross and candles. Boys and girls of the Catholic school. Young ladies and matrons. Young men and married men.

Belle Creek Father Mathew Society. Four Acolytes.

Bishop Ireland and Fathers Stariba and Holzir, with a body guard composed of the following named gentlemen, viz: Messrs. Thos. McSorley, Chas. Kempe, Wm. Bush, R. Koch, M. Herbstreed, John Lyons, David Freimuth, Wm. Yungerts, C. Belanger, G. Noesen, Fred Wolpers, Edw. Pierce, H. Schluder, Wm. Castello, Frank Sommer, M. Hawkins, John Sauter, Albert Steiger, P. Stromberg, N. Hasmeier, Wm. Kuester, John McCormick and two others whose names we did not ascertain.

The procession marched from the old church, up Fifth street to East avenue, up East avenue to Sixth street, and down Sixth street to the site of the new building.

On arriving there it halted, and opening ranks allowed the Bishop and clergy and their attendants to pass through to the location of the corner stone.

On the conclusion of the ceremony, the procession reformed in the same order and returned to the old church by way of Park street, when it again halted and opened ranks for the Bishop and clergy and their attendants to pass through. It was then dismissed and the company was invited to a dinner spread in the school house, of which a large number heartily partook.

Bishop Ireland remained in the city until Monday afternoon, when he left for Belvidere township, where he was to officiate yesterday in laying the corner-stone of a new church; and to-morrow, Thursday, he is to dedicate the new church at Mazepa, in Wabasha county. We understand that arrangements are completed for laying the corner-stone of a new Catholic church in Lake City on the Fourth of July next.

—Notwithstanding the fact that we have been "fairly elected" to supply the people for 40 miles around with cheap and desirable Boots and Shoes of all kinds, yet attempts have been made to have us "counted out." —AN HISTORICAL FACT.—Every agent who has been steadily selling the Improved \$20 Homestead Sewing Machine for three years, owns his dwelling house, has a good account in bank, is clear of debt, and has money at interest, —the natural consequence of securing a good agency for superior goods at the lowest prices. A good first-class Sewing Machine, most useful—reliable at all times, easy to understand and control, the same size and does the same work as any machines that sell at four times the price. There is no machine at any price better, or that will do finer or more work, and certainly none so low in price by many dollars. The Homestead is widely known and used in thousands of families in the Eastern and Middle States, and daily becoming popular in the West. It will save its cost several times over in one season, doing the work of the family, or will earn four or five dollars a day for any man or woman who sews for a living. It is the strongest machine made, is ready at all times to do its work, makes the strongest and finest stitch yet invented, and is fully acknowledged as the Standard Family Sewing Machine. Price, complete for domestic use, \$20, delivered at your door, no matter how remote you may reside. Business permanent and honorable, with more certain and rapid sales, and larger profits than any other. Extraordinary liberal offers made to local or traveling agents where we have none established; or, if there is no agent near you, send your order direct to the factory. Address John H. Kendall & Co., 421 Broadway, New York.
