ARRESTED.

MAN ARRESTED AT THE WORTHINGTON HOTEL—SUPPOSED TO BE ONE OF THE WORTHINGTON ROBBERIES.

On Tuesday night a man got off the St. Paul train at this point, and registered at the Worthington Hotel as Thomas Thompson, giving no place of residence.

The man is a large man, sandy complexion, mustache, thin side whiskers, and partially bald. He had no papers about his person by which he could be identified; and was also unarmed and out of money.

It is thought that he answers to the description of Cole Younger, one of the leaders of the band, on whose head there is said to be a reward of \$10,000 from the Governor of Missouri.

All day yesterday the excitement ran high, and dispatches were received urging the greatest vigilance and confirming the belief that the prisoner is one of the James and Younger band.

Later.—Since the above was put in type, a dispatch was received from Maukato saying that the man arrested here is not one of the robbers. He is from Marshall, where he got into some difficulty and sold his horse to pay out. He was discharged last night and left town.

PROFITS OF SHEEP RAISING.

In the Sibley Gazette we find letters from Mr. Ames, of this place, and Mr. Phillips, of Sibley, upon sheep husbandry.

From the flock of 240 sheep I bought three years ago this coming November, \$1,450 in money has been taken for wool and sheep sold, and the flock number 250 and is far better and more valuable than when first bought;

Mr. Phillips says of his profits: I began in July, with 113 sheep, 73 of them ewes.

Wool in 1874 to the amount of \$202.00. 5 sheep at \$3 per head, 15.00. Total, \$217.00.

We are not entirely a "happy people." How can we be, while there are some who persist in keeping liquor privately, in spite of all earnest monitions that the use of strong drink is morally and physically debasing and disgraceful to themselves and the village.

Outrageous reflection upon our people! Can it be that "those" words are uttered by a newspaper published in our midst! A town where there isn't a living rowdy, as the Journal itself declares; a town where there isn't any rowdism, as that sheet can show; a town of "saints," and where every politician is as pure as an unborn babe, to be thus misrepresented by a newspaper! This is all spite work. This is wholly a "personal" matter. The Journal has had a "personal" difficulty with some liquor barrel and is carrying its "personal matters" into the newspaper.

Will a free people submit to this? Never, never. Call the "friends" of the Journal together and pass some resolutions condemning it. Start another paper to "run it out." This talk is injuring "immigration." This is misrepresenting the place. Can't the rowdy and liquor element get together and do something to stop this? Can't they apply to the Journal the same remedies they have tried on the ADVANCE, applications of skunks, dead dogs and rotten eggs to the Journal doors. Can a free and untrammelled rowdy and liquor element submit to this any longer? Aren't they "lashed into a white heat" by this "intolerable bigotry," this "misrepresentation?"

We have rather a good joke on our friend D. P. Baird, who has gone to Iowa to farm for the next year because the grasshoppers were so bad here. But when he arrived near his destination he found the hoppers so thick that they almost stopped the cars.

We have been asked several times for a clear statement of the Serbian war. Really, we haven't kept very well posted, having a war of our own on our hands, but here is what the Providence Press says about it:

The Servians have been driven out of Guagovatz; Heratovitch has fallen back on Alexinz; Seven years since has defeated Crackeyewitz, and Puldovnyevostitch has inflicted a crushing blow on Wipofyerichnoski.

Dr. Bedford came up from Worthington the other day in response to a telegram, to extract the painful roots of a tooth, and when once here work crowded him till he returned. He has our consent to "come by telegraph," or any other way that he sees fit, so that he can get home to more pain than any man in existence, and still all are glad to see him.—Windom Reporter.

CAMPAIGN SONG BOOK. We have received from the publishers a copy of the "Hayes and Wheeler Campaign Songster," containing a good collection of rousing Republican songs, full of the necessary nerve and energy. Many of the songs are printed with the music complete, for the use of Glee and Quartette Clubs. A large majority of the songs are such as are already familiar to every one. The songster also contains short biographical sketches of our next Chief Executives, with portraits to every one. HERSEY TIME TABLE—SIOUX CITY & ST. PAUL R. R. Going East—2:47 a. m. Going West—11:17 a. m.

The Hersey Cheese Factory will cease operations for the season in a few days.

Base ball has no charms for the youth of our humble burg. They prefer the quiet game of croquet.

The sickness among children is somewhat abating. We hear of no new cases of a serious nature.

The Democratic-Liberal-Republican Convention called for Wednesday at this place, telegraphed that it was stuck in the mud and couldn't come.

There is to be a fall term of school here in the Gordon district at Mr. Hatch's house. Mr. Ira K. Cole is to be the teacher. Let the schools be kept up though the times are hard.

A daughter of D. Haffey aged three years died on Saturday the 8th inst. The funeral took place on Sunday at 10 o'clock a. m. Another child is quite ill and her life is considered to be in danger.

The cattle are going into winter quarters this fall in good order, the steers fat enough for beef. Now if every farmer among us had from five to twenty of them to sell wouldn't the ready cash they would fetch be "convenient?"

The continued wet weather of the past fortnight has made haying impossible. Those farmers who still lack considerable of their necessary supply are beginning to feel anxious, as a killing frost would leave them in a bad fix.

Mr. O. Farnam leaves in a few days with his family for Southeastern Iowa, where he intends to reside. He will be accompanied by his son-in-law, Mr. Phil. Ewing. Mr. Farnam is one of our best citizens, and we shall regret his loss.
