John O. Larson walked in the other
day and paid for three years on the

cy in his finances Mr. L. had fallen
somewhat behind, but he appreciated
our leniency and confidence and did
not disappoint us. We wish others
whom we have trusted two, three and
four years would hasten to do likewise.

We received a call Tuesday from G.
K. Madison and T. J. Murphy, of the
Northwestern Aid Association of Min-
nesota. These gentlemen are in town
for the purpose of introducing their
society and Mr. Murphy will prob-
ably remain for some time. This as-
sociation is somewhat similar to the A. O.
U. W., the Legion of Honor and the
Masonic and Odd Fellow orders. Its
plan, however, has several superior
features and it will interest our citi-
zens to examine its merits. It is one
of the vigorous young institutions of
the Northwest and is fast taking the
rank among insurance associations.
It is growing rapidly, being
just suitable to the wants of the peo-
ple, and the organized but one
year, it has already over six millions of
insurance on its books. We clip the
following from the Mankato State Re-
gister of last week:
MAPLETON, Minn., Sept. 29, '86.
To whom it may concern:
I take pleasure in saying that G. K.
Madison, manager of the Northwest-
ern Aid Association of Minnesota, has
this day paid me one thousand dol-
lars in full payment of my claim upon
said association as beneficiary of the
late David O'Connor, who held a cer-
tificate of benefits in that society. I
cheerfully recommend the Northwest-
ern to any one contemplating insur-
ance as being an association that does
just as it professes.

THREE CENTS A MILE.
The Chicago, St. Paul, Minneapolis

naming a passenger rate of three cents
a mile after Oct. 15, as follows:
On and after Oct. 15, 1886, the price
for tickets between local stations on
this company's lines in the States of
Minnesota, Minnesota and Iowa will
be based on the uniform rate of three
cents per mile and all rates now in
effect and conflicting therewith will
be cancelled on that date.

The railroad commissioners are get-
ting in their work.

A number of prominent Democrats
were in town yesterday and we ac-
knowledge calls from Mr. Stuart, the
nominee for Senator and Col. O'Leary.
They were accompanied by Editor
Hart, of the Pipestone Star, and Ed-
itor Buchanan of the Laverne Times,
all of them royal fellows and brainy
Democrats. Mr. Stuart has been ap-
pointed postmaster at Pipestone and
will, in that event, Col. O'Leary will
probably go.

WOMEN CAN VOTE IN THIS COUNTY.

Many of our readers have probably
forgotten that the last legislature passed
a law allowing women to vote for
county superintendent of schools. The
bill was mainly due to the efforts
of Senator A. M. Crosby of this district.
Following is the law:

**AN ACT to entitle women to vote for
county superintendents of schools.**
Be it enacted by the Legislature of the
State of Minnesota, That any woman of
the age of twenty-one (21) years and up-
ward, belonging to one of the classes
mentioned in section one (1) of ar-
ticle seven (7) of the constitution of the
State of Minnesota, who shall have re-
sided in the United States one year,
and in this State for four months next
preceding any election at which a
county superintendent of schools is
elected, shall be entitled to vote for
such county superintendent of schools at
such election in the election district of
which she shall at the time have been
for ten (10) days a resident.

Sec. 2. Any woman entitled to vote
under this act shall be required to regis-
ter as now provided by law for male
voters.

Sec. 3. The ballot offered by any
woman entitled to vote under this act
shall not contain the name of any per-
son to be voted for at such election, ex-
cept such county superintendent of
schools, and all such ballots shall be
deposited in a separate ballot box, but
canvassed with the other ballots cast
for county superintendent of schools at
such election.

Sec. 4. The supervisors of the sev-
eral townships, and the city council of
the several cities, shall procure at the
expense of the said townships and cities
respectively, a separate ballot box
for each election district destitute
of the same, in which the ballots of
women entitled to vote under this act
shall be deposited.

Sec. 5. This act shall take effect and
be in force from and after its passage.
Approved March 2, 1885.

**CHAMBERLAIN'S COLIC, CHOLERA AND
DIARRHOEA REMEDY.**
Is the safest and only reliable treat-
ment for bowel complaint. Recom-
mended, guaranteed and sold by C. W.

THE BOTTOM OUT.
Worthington has not lost its bottom
but the bottom has fallen out of prices
among our merchants. H. E. Tor-
rance and Henry Davis have for some
time been selling at cost and now R.
F. Baker, the dealer, is offering a
stock of \$5,000 to \$10,000, at cost.
Worthington is selling piles of goods
and selling lower than any town in
this part of the west.

When Baby was sick, we gave her Castoria,
When she became a Child, she clung to Castoria,
When she became a Woman, she clung to Castoria,
When she had Children, she gave them Castoria.

Building Items: The stone founda-
tion is being laid for Frank Crandall's
house, corner 10th st. and 7th av.
Chas. Hecox's new house on 2d av.,
adjoining Hansberger's, is under roof
and enclosed. E. R. Humiston's new
house on 4th av. has been rushed along
and is already painted. Ed. Carnes
house on 5th av. is receiving the finishing
touches. Mr. Gibson's new house in
the suburbs is plastered and nearly
ready to occupy.

It is contrary to reason and common sense
that retail merchants should go to Eastern
cities for their hardware. When close by
the enterprising firm of the West-
chland-Hinds Hardware Co. carry out
their extensive and complete stocks in the
county. Established in 1856, they have by
enterprises and skill, outstripped all com-
petitors and now rank as the leading Wholesale
Hardware house west of Chicago. Buyers
save freight, time and trouble by buying
from this firm. Their prices are not only
cheap, but they are the best in the west.
They have won and hold the confidence
of merchants throughout the territory. Lib-
erty to Dubuque as a wholesale center.

A good one is told on three of the
boys who went hunting the other Sun-
day with one of Shell's teams. Toward
night one of the horses got loose and
refused to be caught. The boys didn't
know how to get in with one horse, so
they hitched up one of their number at
the time to hold up the other end of the
neck yoke and took turn about. They
had 7 or 8 miles to make and got in
without catching any serious wind-
gall, spavin or other horse ailment. To
increase the vigor of their language,
the loose horse kept a few rods in front
of them, occasionally stopping and
looking back in a tantalizing way.

We hear this morning of the sudden
and tragic death of Annie Naylor,
aged nine years, youngest daughter of
James Naylor, who resides about four
miles south of town. She went last
evening to bring in a cow picketed out
near the house, and when near home
she was struck by a horse and ran
away, dragging the poor child who
had become entangled in the rope
some forty rods, and she was so badly
wounded that she died before she could
be taken to the hospital. The horse and
body that she lived only about half an
hour. The afflicted parents have the
sympathy of their neighbors and
friends.—Adrian Guardian.

ON TOP EVERY TIME.
Murray county has the best baseball
club in southern Minnesota, and we
don't want you to forget it for one
moment.—Fulda Republican.

Why don't you tell a big one while
you are at it? A coming down at
Worthington that can just knock the
socks off the Avoens and not half try-
ing.

What consolation it must be for the
club at Worthington that can beat the
Avoens. But, friend Humington, the
fact still remains that Windom can't
do it, and Worthington has not yet
tried, so your boast amounts to nothing.

That Dr. Miller may think his boys
are good ones only shows the kind of a
man he has always proven himself to
be. To wit: He stands up for right,
fair play and side with the weak, and
then he'll wriggle about and come out
on top every time.

The Democrats have called a county convention to meet at Adrian next Thursday, Oct. 31, to nominate what will be called a people's ticket.

Following is the apportionment of dele-
gates. It is not the same as at the
first regularly-called Democratic con-
vention, but the basis has been changed
to raise most of the west end
townships and lower those of the east
end. It looks like a pretty little
scheme:

Indian Lake 2 Hersey
Bigelow 2 Rik
Little Rock 2 Summit Lake
Grand Prairie 1 Larkin
Janson 1 Jensen
Lorain 1 Graham Lakes
Worthington 3 Willmont
Dewald 3 Willmont
Village of Adrian 3 Willmont

SAVED HIS LIFE.
Mr. A. I. Wilcoxson, of Horse Cave,
Ky., says he was, for many years, bad-
ly afflicted with Pithiasis, also Dia-
betes; the pains were almost unendur-
able and would sometimes almost throw
him into convulsions. He tried Elec-
tric Bitters and got relief from first
bottle and after taking six bottles, was
entirely cured, and had gained in flesh
eighteen pounds. Says he positively
believes he would have died, had it not
been for the relief afforded by Electric
Bitters. Sold at fifty cents a bottle by
C. W. Smith.

Quick Relief is just what is wanted
in every case of cramp colic or diar-
rhea. Chamberlain's Colic, Cholera
and Diarrhoea Remedy relieves the
pain promptly and is a certain cure, a
dose or two is all that is required for
any ordinary case. Recommended,
guaranteed and sold by C. W. Smith.

Messrs. Teed, Bartlett & Hubbard,
who are selling the Feister Bed Spring,
have sold the territory for this and sev-
eral other counties. They have put in
a number of springs here, and we can
certify that the one they put in one of
our beds is springy and elastic as In-
dia rubber. If they hold out well they
are just the thing.
