the class of 1892 occupied the platform.

The stage had been artistically decor-

out as follows: Soles by Mrs. Crigler

and Mrs. Durfee, and songs by a male

quartette consisting of Jas. Mackay,

John Mackay, Jas. Ramage and David

Wagner. Mrs. Frank Lewis presided

at the piano. The mention of these

names sufficiently indicates the excel-

lent style and quality of the music.

The graduates gave their addresses in

the following order: Mr. Jesse Ferne

Bullis had "Patriotism" for his

theme. Mr. Levi Elmer Covey spoke

'Winners and Losers." Mr. Ransom

Franklin Pepple's subject was, "Poor

Save Time and Health. Doctors' bills and druggists' prescriptions are heavy drains on the pocket, not to mention days, weeks, and months of enforced idleness in case of sickness. In many instances all this loss may be saved by the timely use of Ayer's Sarsaparilla. This medicine, taken in smaller doses than would be required of any other blood-purifier, produces the most positive results; therefore it is economy to

Ayer's Sarsaparilla. Moreover, by taking this medicine in season, you prevent the inroads of disease, keep the blood pure, and the system uniformly strong and vigorous. Remember, Prevention is better than cure. But how, it may be asked, is one to know that he needs this medicine? By various indications; among them by that tired feeling, by loss of appetite, tack of energy, dull headache and confusion of memory, pains in the limbs, back, and sides, pimples and eruptions on the face and body, weakness of the eyes, restlessness by night, drowsiness by day, and frequent depression of spirits. These, though not diseases in themselves, are symptoms and warnings, which, if not attended to, may result in diseases of the most serious nature. Begin at once to use

Ayer's Sarsaparilla.

"Ayer's Sarsaparilla gives entire satisfaction to my customers. My wife used two bottles of it, which did her more good than any other medicine. Her sallow face has become fresh and rosy. I feel assured that Ayer's Sarsaparilla has completely restored her health. Our family physician recommends Ayer's remedies."—Sam'l Stephenson, Pool, W. Va.

"For years I was afflicted with dyspepsia, having very little appetite and being distressed by nearly everything I ate. A druggist recommended a trial of Ayer's Sarsaparilla, of which I am now taking my fourth bottle. The medicine helped me at once, and has continued to help me. I can recommend Ayer's Sarsaparilla as a great remedy in this distressing complaint."—Charles G. Maxter, Farmington, Me.

"For several years, in the Spring months, I used to be troubled with a drowsy, tired feeling and a dull pain in the small of my back, so bad, at times, as to prevent my being able to walk, the least sudden motion causing me severe distress. Occasionally, a rash covered my body, the skin apparently becoming tilckened, accompanied by intense itching. Frequently, boils would break out on various parts of the body. By the advice of friends and my family physician, I began the use of Ayer's Sarsaparilla and continued it till the poison in my system was completely cradicated."—L.W. English, Montgomery City, Mo. "Every spring for the last nine years I have been in the habit of taking Ayer's Sarsaparilla, and I can truly say that I never used any medicine that did me so much good. I am convinced that it is
