Of the many bargains we have been able to offer our customers for some time the most remarkable are now to be found on our new—

10 cent -Counter-

The big values that are placed upon this counter to be sold for 10c are indeed a revelation. There is one assortment of about 600 pieces of Amptkyst enameled ware. This assortment consists of

Wash basins, small stew pans, dip-pers, stove pans, bread pans, basins, soap dishes, basting spoons, skimmers, pudding pans, cups, ladles, etc. Many of these articles have been sold for 25 and 35 cents. Your choice for only—

10c

There are also other kinds of goods represented on this 10c counter, among them are large glass dishes, syrup pitchers, pocket knives, brush brooms, 100 envelopes, 2-ft. rulers, cuspadors, wire bread toasters, glass water pitchers, etc.

But then to appreciate these values you must come in and look the different articles over. It don't cost anything to look at goods you know.

...J. T. BRANIGAN.

The Washington Post gives this hint to users of steel pens that may be useful: "All pens are alike to you if you only know how to break them in. Don't moisten your pen between your lips before you begin to write. Don't say charms over it or waste your substance in good pens. Take your cheap steel pen, dip it into the ink, then hold it into the flame of a match for a few seconds, wipe it carefully, dip it into the ink, and you have a pen that will make glad the heart within you. It is a process we have never known to fail."

Prof. Hilger, of St. Paul, was here last week. He is agent for a self instructor of notes and chord accompaniments for organ and piano. From here he went to Adrian but will return here again.

Rock County Agricultural Society have decided not to hold a county fair this year. They also decided not to lease the ground for Sunday games. Instead of the county fair a street fair is being talked of.
