### A Cure for Summer Complaint.

Summer complaint is unusually prevalent among children this season. A well developed case in the writer's family was cured last week by timely use of Chamberlain's Colic, Cholera, and Diarrhoea Remedy—one of the best patent medicines manufactured and which is always kept on hand at the home of the scribe. This is not intended as a free puff for the company, who do not advertise with us, but to benefit little sufferers who may not be within easy reach of a physician. No family should be without a bottle of this medicine in the house, especially in summer time. —Lansing, Iowa, Journal. For sale by all druggists.
