

Do You want a Free Homestead?

Where you can raise crops which will make you comfortable and independently rich.

You will Find Just this Opportunity in Western Canada.

Land can be obtained here for the asking. It will raise from 25 to 35 bushels of No. 1 hard wheat to the acre. The Canadian government gives the man or every woman who is the head of a family 160 acres free!

The energetic, industrious young man can make his fortune with this start in life. Thousands are doing it, so it is no experiment. There are railroad facilities making a market. There are schools for the children. There are churches. In fact all the accessories of civilization with the land given as a bonus to those who will accept it.

Railroad lands conveniently situated are also for sale at low prices and on long time. The climate of Western Canada is about like that of Minnesota, which means that it is the healthiest in the world!

The Worthington House livery hack was seen around our streets all day Tuesday, and on calling at the barn for the cause the Advance reporter was informed by Mr. Doolittle, that it would be a permanent thing from this on provided it proved a paying venture. He believes as we do that the town has grown to that proportion that it will be appreciated and will be patronized as soon as people find out that it is hitched up and ready for calls at nominal prices. It will also take families and other parties for drives. The reporter also noticed that they had not been waisting the dull winter season but had been getting their rigs all painted up and were in better shape than ever to care for their patrons.

A few ladies' Dress skirts left which we will close out at cost, next week only—Murdock & Hoover.
