

GREAT SUMMER Clearance Sale

The "Big Store" comes before you more prominently than ever with the biggest clearance sale ever held in Worthington. More good merchandise will be offered at low prices than in all the other clearance sales put together. Thousands of dollars worth of goods can be purchased at prices as low as the cost of production, and in some cases much lower. We are not endeavoring to close out a few odds and ends and remnants, but place at your command long lines of merchandise from which you can select what you want at a price lower than you ever paid before, instead of buying what we want to dispose of badly. A careful reading of prices here quoted will demonstrate to you the forceful money-saving opportunities the "Big Store" can offer to the general public. This great clearance sale
