### A REAL FRIEND.

"I suffered from dyspepsia and indigestion for fifteen years," says T. L. Studevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. I gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid.

### NOBLES COUNTY POLITICS.

On account of the new form of electing candidates and the opportunity for any one to become a candidate for nomination with an idea they will be selected by reason of the people expressing a choice by direct vote candidates for various officer are getting into the arena early.

For Senator, Mr. Shell is receiving much better support than anticipated. Of course it would be unnatural to have an ardent supporter in every voter but the unanimity of opinion that he is the logical and proper candidate, far exceeds the expectations of himself and friends. His opponent, Mr. Grass in Murray county with a few friends here, feel certain they can arouse dissatisfaction among Mr. Shell's friends in the counties and turn them to support Grass, but it is not thought that this plan will be effective. There is one item that strongly demonstrates Mr. Shell's popularity, that is, an effort has been made in our neighboring county to effect a combination with the democrats to defeat Shell now if his few opponents deem it necessary to resort to such tactics as this to defeat one man, what must be that man's standing with the people, and if he is held in such esteem by the people why is he not the man that is wanted for the office. It is always the best that is sought for by any one.

For representative there is S. O. More of Murray county and Geo. W. Wilson of this county. The first named is said to be very popular in his county and so is Mr. Wilson here. Of course Nobles county wants the senator and having the largest vote can secure it and as to the representative that must be left to the voter whether to accord Murray county that courtesy or not. It would appear that the proper plan would have been for the candidates and their friends to have conceded Nobles the senatorship and Murray the representative this term, but as the advice of some has been accepted and that of others ignored a contest has been ignited, which will result disastrously, somewhere and most likely to those who have fanned the flame. Nobles county having a large vote makes Wilson's prospects appear very bright but if the voters are as magnanimous as some of his friends, he will be defeated.

The democratic prospective candidate for the senate from this county is J. F. Flynn of Ellsworth and Mr. Weld of Slayton with the opinion that if the first named is not selected for the senate he will take second place.

For county auditor H. M. Palm is the republican candidate and prospect of James Cowin of Adrian as another and there are other considering the matter. On the Democratic ticket I. T. Braniagu is it supposed will be a candidate.

For treasurer, republican aspirants are not very numerous. E. W. Goff who was elected by republican votes will probably be a candidate again.

Last Sunday there was in our town a couple of girls said to be

didate, and Editor Levins of Ellsworth the democratic.

For Sheriff there are a few aspirants but have not become prominent, except Levi Rue of Adrian. Mr. Reiter will be a logical Democratic candidate.

For Clerk of Court F. L. Humiston is due to succeed himself. A democratic aspirant is not visible.

For Probate Judge it is difficult for any one even a democrat to say anything but Judge Cory.

For County attorney C. M. Crandall will be a candidate yet he has not made a formal announcement. It is also reported E. J. Jones of Adrian will be a candidate. J. J. Parsons holds certificate No. 1 from the county auditor as a receipt of filing declarations of being a candidate for county attorney on the democratic ticket.

From indications there will be an interesting time in the republican ranks before the time for holding of primaries arrives. Of course they all say, "we want harmony," but the old saying "actions speak louder than words" is quite appropriate at this time.

After the above was put in type, E. C. Pannell announces himself as a candidate for auditor. Mr. Pannell is one of the oldest settlers of this county, has been elected several times on the village council, and for several years was president of the council has also been village treasurer for several years. He is most highly esteemed by every citizen.

### ROUND LAKE.

The Spafford base ball team came over Saturday and crossed bats with the Round Lake team. The score was 13 to 19 in favor of Round Lake. There were a good many errors made by both teams. This is the first game of the season won by Round Lake team. A return game will be played at Spafford Saturday.

The creamery three miles east of town will be moved to Round Lake in the near future and be run by Sam Beck. Until it is in running order again. Sam is trying to supply the patrons with cream separators. He has two makes and each has its own peculiar good point.

Two arrests were made this week, one on Sunday and one Monday. The former was a hobo who wandered into the town on Saturday filled up on booze and then looked for trouble. Our town marshal took him in hand and locked him up. The latter was one of our citizens who tried to interfere with the marshal and was run in the next morning, they were fined and let out. A man who will interfere with an officer who is doing his duty is not a fit citizen for any town.

A game of ball was played on our diamond Sunday between Worthington and Round Lake the score was 13 to 16 in favor of Worthington. The score was tied in the 9th and the visitors succeeded in scoring 3 more tallies, in the tenth. Round Lake failed to score.

Round has put down a well and are preparing to have an extra good system of water works with steel tank and tower and a gasoline engine to do the pumping.

Mrs. S. Harrington and Sawyer were Worthington visitors Friday.

This vicinity was visited by a white frost Saturday morning. But as yet we cannot tell what damage is done.

Last Sunday there was in our town a couple of girls said to be

from Worthington accompanied by some of our home girls. Their actions were such that remarks were made which were not considered complimentary.

Monday morning S. W. Harriton departed for Minneapolis to purchase a gas engine pump and other articles for the town water works.

Wednesday Jack Mercer sold his interest in the Livery Barn to his partner Mr. Converse.

This morning the early train in switching run a car of rock off the ground switch near the depot no damage was done except to the ties and the car was pulled back on the track when the train came back.

Samson the new painter and ball player has been repainting the Bank building.

The furniture store is also receiving a new coat.

Jim Walker arose in town Tuesday morning and sold his farm north east of town in the afternoon for \$41.50 per acre.

Bob H. must be looking for a partner in life as he is repainting his old buggy and trying to shine a little.

Part of the Round Lake nine drove 12mi. south to play a game of ball and were beaten 5 to 21 so we are told. We did not attend.

Henry Dahn of Round Lake is going to celebrate the 4th at his place and declares he will show the celebrators the best time they ever had. Shooting match, Base ball game for purse, bowling, swimming fishing etc.

To the Public:—Our representatives have just completed a house to house canvass of your city, showing the people the merits of our celebrated Hoff's German Liniment a most efficient remedy for aches and pains, and a general household panacea.

This preparation has earned its reputation on its merits, and we are devoting ourselves to securing the absolute confidence and esteem of the public by our methods of doing business. The scramble for Wealth has deteriorated business methods and cheap imitations are jeopardizing standard preparations. We have given written guarantees for every order taken, and authorize the druggists to refund the money to their customers on receipt of these guarantees properly filled out, where there is any dissatisfaction. Our guarantee is an obligation we could not afford to give unless we were absolutely sure that this liniment is what we claim for it. Save your guarantees and never accept "something just as good as Hoff's German Liniment."

Goodrich Jennings, 27—4. Anoka, Minnesota. U. S. A. HER SON'S LIFE WAS SAVED BY CHAMBERLAIN'S COLIC CHOLERA AND DIARRHOEA REMEDY.

"A neighbor ran in with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy when my son was suffering with severe cramps and was given up as beyond hope by my regular physician, who stands high in his profession. After administering three doses of it, my son regained consciousness and recovered entirely within twenty four hours," says Mrs. Mary Haller, of Mt. Crawford, Va. This remedy is for sale by all druggists.
