RELIABLE INSURANCE.

Mr. J. C. Salisbury, general agent and manager for Minnesota and general for a number of eastern states for the American Registry Co., of Washington, D.C. and Great Eastern Casualty and Indemnity Co., of Broadway, New York, has returned from Minneapolis and St. Paul where he has written hundreds of the leading business and professional men, including Gov. Van Sant, S. T. Johnson, state bank examiner, N. W. Nat'l bank, Swedish American Nat'l bank, Hennepin County Savings bank, Capital bank, Hill Sons and Co's bank, etc. This company today issues the most liberal policy ever issued by any registry company, the clause that the vehicle you are riding must be materially injured, is taken out entirely. The fact that in addition to \$15 a week in case of an accident, and \$1,000 in case of death, the company provides you with a nondestructible identification check that will identify you at any spot in the United States or Canada. If you are in an accident or a smash up, taken sick from home, get injured on the street and taken to a hospital insensible, your people are at once notified and the best medical aid furnished at the company's expense. This non-destructible identification check might be the only means of saving your life and only means you might have of collecting any other insurance you now carry. All this for \$2.00 a year. Less than 4 cents a week. Endorsed by the leading business and professional men, everywhere. The promptness with which all legitimate claims are settled is shown by testimonials from business men who have been injured in Fairmont, Adrian and St. Peter.—Martin County Standard.
