

WE WANT TO SAY SOMETHING!

HART'S STORE

THE Store that has no time to spend pumping you full of wind. But facts are what we speak of, and this ad. is a money saver to you, if you will take the time to read it and compare prices. "Putting it on and taking it off" is practiced by most merchants--That is writing on prices on the tickets and telling you confidentially that "being its you I'll sell you this article for so much, or that article at that much," etc. Of course, you know he likes your money much better than your neighbors and it's better money. WE are not built that way. Our price is on every article, and the only price we sell at. All money is the same at our store; Rich or poor, old or young, large or small--one price in plain figures. You know you are getting the **LOWEST PRICE.**

"Cash is Our Motto"

and the Big Almighty Dollar wins--Can't get along without it. We have to say that, from this date, nothing will be sent out on trial or approval unless **PAID FOR.** When taken out we will furnish the usual insurance policy--"Your Money Back." That is all we can do. We do not think any reasonable person can ask for more. It's **BEEN** our rule and will **STAY** our rule--Your money back if not satisfactory. We are crowding our new quarters and again you will be surprised to see our new store crowded with goods. It will continue to grow larger on or about May 1st.

We will move part of the St. James stock to Worthington and Mr. H. Hart will be here to help us. We must keep the wheels going, so come early and take advantage of these big bargains offered.
