Attorney J. A. Cashel went to Luverne last Saturday to try a divorce case between parties living at Ellsworth. Mr. Cashel says that owing to the excessive heat Judge Brown held court in the court yard. The train on which Mr. Cashel returned was eight hours late, owing to a washout on the Sioux Falls branch of the Omaha road.

Robert Reed, Worthington's famous sage, philosopher, weather prophet, oil inspector and general democratic factotum, has been vindicated so far as his reputation as a weather prophet is concerned. Along the first of June he stated that we would have three weeks more of cold weather and storms before hot weather set in, and his prediction has been verified to the letter. In fact Prof. Reed has this spring attained a reputation as a weather prophet locally surpassing that of Rev. Hicks and other high-class, long-range, by-guess and by-gosh weather prognosticators.

Murray Co. Herald: There was quite a little excitement Thursday morning when fire broke out in Nash's and Bergh's stores. Very little damage was done by the fire, but the damage done by water will be considerable. Well covered by insurance. The prompt action of the Slayton fire department is responsible for so small a fire loss.

Fulda Republican: Rev. William Wilk, of the German Lutheran Church of Pflingten, left Monday for three months' vacation in Germany. Rev. Wilk is a native of this country, is an earnest Christian teacher and a man of thought and ability. He has done a great deal in building up this church and surroundings. We wish him a safe journey and a pleasant visit.
