Funeral of Mrs. E. W. Owens.

The funeral of Mrs. Mattie, wife of Lieut. E. W. Owens, took place yesterday afternoon from Monumental M. E. Church. It was attended by the Ladies' Auxiliary Society of the Y. M. C. A., and a large number of sorrowing friends of the deceased. The Portsmouth Rifle Company attended in a body, in citizens' clothes, as a mark of respect to their lieutenant, and as an appreciation of the many kindnesses extended to them by the deceased. The services were conducted by Rev. T. McN. Simpson, assisted by Rev. Dr. A. E. Owen and Rev. Mr. Webb.

Miss Happer, by special request of the deceased, made some months ago, sang "Calvary" in a very touching manner. At the conclusion of the services the remains were placed in the hearse and conveyed to Oak Grove Cemetery for interment. The following gentlemen acted as pallbearers: Edward C. Bain, Lieutenant Geo. A. Brooks, T. P. Cooke, John A. Codd, M. J. Nash, Capt. John W. Happer, Dr. Chas. L. Culpepper and Ellis A. Butt. The floral designs were beautiful and numerous; among the number was one from the Rifle Company.

Will Have a Hearing.

On Thursday next Judge A. S. Watts will grant Mr. W. A. Fentress a new hearing in the case of Commonwealth vs. White & Fleming and Wainwright & Son, on appeal from the Mayor, who fined them for keeping cook shops without a license. The decision which was reversed by the Court who decided that the city had no right to tax cook shops, as the State made no tax on such places, consequently the city had no right to do so unless specially provided for by the charter. Mr. Fentress was assisting the Commonwealth attorney and was employed by the High Constable. He claims that he has discovered law upon which the Judge will reverse his opinion, consequently the case will be reopened for argument on April 4th, and will be quite interesting.

Will Enlarge and Fix Up Handsomely.

On Monday Mr. M. J. Mulvey will assume charge of the Port Norfolk Hotel at Port Norfolk. He will commence immediately to build an addition about 35x35 feet which will be used as a bar and billiard room. The house will be made first-class in every respect, and as Mr. M. has shown himself to be an excellent caterer, all who visit Port Norfolk this season will have occasion to see for themselves. He will have a regular house warming at his opening on the 1st of May, but during April he will conduct the business on a small scale.

An Accident.

Yesterday morning a negro named Kierstin Watson was standing by the side of the Seaboard Air-Line track at Lower's Hill while a train passed. While standing there some one threw a stick of wood off a car and struck Watson over the eyes, cutting an ugly gash, from which the blood flowed freely. He was put in a passing train and was brought to this city. Dr. J. A. Billosy was sent for and sewed up the wound, which was an ugly one. The party who threw the wood is not known.

Religious.

The meeting at the South Street Baptist Church still continues to be interesting. The pastor, Rev. Mr. Mitchell, is striving hard to win souls. Several professed conversions Thursday night. The meeting will be suspended for tonight, but will be continued on Sunday. At Monumental Rev. Mr. Lee is drawing large crowds and the interest is increasing nightly. Several persons have made profession and others have asked for prayers. The outlook is a most encouraging one.

Today, Tomorrow and Saturday at Hamill's.

In addition to our Easter sale of dress goods, we shall place on sale Foster patent five hook kid gloves at 75c, worth \$1 per pair, with the rest of the advertised bargains. Hamill's, 320 High street.

They Are Here.

"Perhaps you would not think so, but a very large proportion of diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Edson. "It is such a simple thing and so common that few people, unless it is a case of pneumonia, pay any attention to a cold. There are a great many cases of catarrh and consumption which have their origin in the neglect of the simplest precaution of every day life. The most sensible advice is, when you have one get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold, but we will. Take Chamberlain's Cough Remedy. It will relieve the lungs and expel the mucus, open the secretions and soon effect a permanent cure. 25 and 50 cent bottles for sale by all druggists.

BASEBALL.

Portsmouth Puts Up an Excellent Game With the New York Giants.

The much talked of game of baseball between the New York League team and the Portsmouths came off yesterday afternoon before 500 enthusiastic rooters, all of whom were more than pleased at the splendid showing our boys made against the Giants. The game opened up with our boys at the bat and German in the box for New York, and the quick way in which the side was retired was not a surprise to any one. New York made two runs in her first inning, and Portsmouth scored another goose egg. Then the pretty work commenced.

With a runner on third base, a long fly to centre field was captured by Hargrove, who by a phenomenal throw from deep centre, straight into Vetter's hands, caught the runner from third base and retired the side. This was the most brilliant play of the game. Portsmouth comes in and Mulligan makes the first hit for one base, but is forced out at second by Vetter's hit to second base. Knox and Hargrove retire the side. Baunon bunts to third base and beats ball to first. Finko makes a beautiful stop of Davis' hot grounder and the runner is thrown out at first. Tierman fans three times and Stafford's hit to Mulligan retires the side. The great Rusie is in the box and Hargrove punches. Joanes makes hit to left field for one bag and by bad throw of Wilson to second secures third and the "rooters" run wild. Leach flies out to second base. Finko is hit by pitcher and gets first base. Fulmer's out retires the side. Burke hits to centre for one bag. Wilson's sky scraper is caught by Finko. Burke is brought home on a hot grounder from Rusie's side. Fuller hits to Mulligan and is thrown out at first. Baunon goes out in same way and ends the inning.

The fifth inning with Mulligan at the bat, who hits to third and is thrown out. Mulligan and Vetter retire side. Davis gets three bases. Knox captures Doyle's high fly. Leach makes a beautiful catch of Tierman's long hit, but Davis gets in from third before the ball and New York has another score. Stafford makes a two bagger, and Burke retires the side by a hit to Knox. Knox gets hit by pitcher. Hargrove flies out to right field. Joanes follows suit and Knox retires the side by running off base. Brandt relieves Mulligan, who, although with a lame arm, pitched a splendid game. Wilson gets first. Rusie has a hole in his bat and punches out. Wilson is beautifully thrown out by Vetter while napping at third. Fuller's fly to Mulligan retires side.

Meekin takes his turn in the box in the seventh. Leach hits to second and is thrown out. Finko hits a long fly to left field, which is dropped by Burke. Fulmer strikes out and Finko is thrown out trying to steal second. For New York, Baunon foul flies to Joanes. Davis gets another three bagger. Doyle hits for one bagger and Davis scores. Tierman secures first on Knox's fumble. By Vetter's quick eye, Tierman is caught between third and home.

In the eighth Mulligan flies to Baunon. Brandt makes a clean one bagger. Vetter fouls to Wilson. Knox makes one bagger. Hargrove flies to second base and side retired. Wilson's fly to left field is caught by Fulmer after a long run. Meekin makes three bases. Fulmer hits to Mulligan and is thrown out at first, while Meekin crosses the rubber. Baunon bunts to second, and is thrown out at first. Joanes is put out by short to first base. Davis pulls down Leach's high fly. Finko is thrown out at first and the game is ended. Below is the score:

SUMMARY: Earned Runs—New York, 1. Two-base Hit—Stafford. Three-base Hit—Davis. 2. Meekin. 1. Stolen Bases—New York, 7. Portsmouth, 2. Double Plays—Mulligan, Knox and Joanes; Hargrove and Vetter; Tierman and Boyle. Bases on Balls—Fuller, Doyle and Wilson. Hit by Pitcher—Finko. Struck Out—By Mulligan, 1; by Brandt, 1; by German, 1; Rusie, 2; Meekin, 1. Wild Pitches—Brandt, 1. Time of game, 1:40. Umpire—Maulove. Scorer—C. T. Bland.

It was the verdict of all who saw the game yesterday that Portsmouth has a strong team and unless we are fooled, our brethren from across the river will be considerably shaken up when they tackle us. Both Mulligan and Brandt did excellent work in the box to-day and considering the fact that Portsmouth had three of the greatest pitchers in the country against them, the result was more than satisfactory. Houston will play here this afternoon and as they have new pitchers a good game is expected.

The Baptist Union Meeting.

The Baptist Union Meeting of the Lower District began a three days' session at South Street Baptist Church yesterday at 11 o'clock, with a large attendance, and Mr. A. B. Walker, Moderator, in the chair, and Mr. O. B. Meers, Clerk.

Rev. W. F. Watson raised the question as to what churches are members of the Union. The ground was taken by some that all the churches belong to the Union. Others that only such churches as have made application for membership are members. A spirited discussion followed. Rev. W. F. Watson, Dr. J. A. Spaight, Dr. A. E. Owen, Rev. J. J. Hall, W. Mc. Woodhouse, Rev. J. A. Hall, A. B. Walker and Rev. J. W. Mitchell took part, at the close of which Dr. J. J. Hall moved that a committee be appointed on membership. The Moderator appointed the following as the committee: J. W. Mitchell, J. J. Hall and W. Mc. Woodhouse.

Visiting brethren were invited to seats.

The minutes were read by the clerk. In the absence of Rev. W. S. Leake, who had been appointed to preach the introductory sermon, Rev. J. W. Mitchell was appointed to select some one to preach at 8 o'clock p. m.

The Moderator made an earnest address on the work of the Union.

W. McK. Woodhouse was elected vice-moderator.

A committee on time, place and preachers, consisting of W. McK. Woodhouse, Willie Hutchings and Rev. G. S. Kennard, was appointed.

Dr. E. A. Owen offered the following resolution:

Resolved, That the Union expresses its profound sympathy with Bro. L. B. Allen in the deep sorrow which has fallen upon him in the death of his lovely wife.

The question of the Young People's Union was discussed by Dr. J. J. Hall in an able and earnest speech. Dr. Hall took the ground that the Unions should be connected with the Southern Baptist Convention.

Rev. E. B. Hatcher, of the First Church, followed Dr. Hall. He thought that the country churches needed the unions especially. He was not so emphatic as Dr. Hall in favor of the auxiliary of the Southern Baptist Convention.

The union adjourned to meet at 3 p. m.

The afternoon session was devoted to the discussion of topics which were selected last night. The association adjourned to 10:30 a. m. to-day. The session will last from 10:30 to 12:30 in the morning and from 3 to 5 in the afternoon. There will be no night session, but on Sunday the session will begin at 11 a. m.
