A VETERAN'S STORY

Gen. Catlin Praises Munyon for His Great Work.

His Restoration to Health Due to the Wonderful Little Sugar Pellets.

G. M. A. B. Catlin, formerly Deputy Surveyor of the Port of New York, is a veteran of the army and a well known Republican politician.

"I have been troubled with a cold for many years," said Gen. Catlin, "restored for a great deal, but did not obtain any relief, and it is winter my condition was so terrible, I took colds easily, and my nose became stopped up. I had severe pains across the front of my head, my eyes became watery, I sneezed a great deal, and my bones ached and ached continually. When I got up in the morning my throat was filled with a nasty slimy mucus, which I had to clear out. I had to back a great deal, and this mucus came out often, and I was aching or aching all over. I lost my appetite, ran down in weight, and became depressed in spirit. I tried thoroughly the use of the best physicians, so-called, in New York, took up most of my time at dear prices, but grew worse all the time.

"Finally, I began Munyon's Catarrh Remedies. I thought it was no use, and I had lost faith, but I began to improve right away. I did not rapidly, but I did not get any worse, and I understood a change that was coming. Within a short time I was entirely cured, the last trace of the disease had vanished, and to say my friends are marveling at the change in me. It is a wonderful relief to feel strong and healthy again, and it gives me pleasure to testify that my restoration is entirely due to Munyon's Catarrh Remedies.

"Munyon's Catarrh Remedies, Company, of Philadelphia, Pa., put out a new remedy. No matter what the disease, or how many doctors have failed to cure you, ask your druggist for a 25-cent bottle of one of Munyon's cures, and if you are not benefited your money will be refunded.
