The Largest Bocket on Record Tried in the Police Court by Justice Burroughs

AND OFFENSES OF ALL KINDS HEARD.

The Charge Against Young Babbit Dismissed-A Speakensy Steerer Arrested-The Raid on the Crap Shop and Its Result-A Deed of As signment Made.

Justice Burroughs had one of the largest, if not the largest, Police Coart dockets to dispose of yesterday that has engaged his attention in any one day since he has been on the bench. There were sixty odd offenders before him, and it took three docket sheets to hold their names. There were twenty drunks, white and colored, and almost every spacies of crime, excepting murder, was represented in the person of some offender.

### YOUNG BABBITT DISMISSED.

YOUNG BABBITT DISMISSED.

Thomas T. Babbitt, a young man well known in Berkley, and whose parents reside on Cumberland street, this city, was arrested Saturday night on a warrant charging him with embezziement. Friends of the young, man claim that they wanted to ball the boy out immediately after his arrest, but they were informed that the prigener was held for the Norfolk county authorities, and could not be balled, consequently the young man spent Saturday night and all day Sunday in a cell. Sunday afternoon he sent for Attorney Julius T. Saunders, who sent for Justice Gregory, and asked that he be balled. The Justice, heing undecided, though always courtcous and willing in such cases, sequested the attorney to see Judge Hanckel or Justice Burroughs, that he might be clear in the matter. The aged mother and young sisters of the boy were so grieved at his incarceration that Mr. Saunders went before Justice Burroughs on Sunday night and secured a written opinion to Justice Gregory "that there opinion to Justice Gregory "that there opinion to Justice Gregory "that there was no reason why the accused should not be bailed," whereupon it was granted and the boy went home. The case was called before Justice Burroughs yesterday and the prisoner turned over to the county authorities. It was again called before Justice Tillotson, in the county at 1 p. m., and dismissed upon the defendant paying the costs. Mr. Saunders defended Babbitt in the county also.

A STEERER ARRESTED.

A STEERER ARRESTED.

A colored man named Charles Smith was arrected by Sergeant Taylor on Sunday as a nulsance. In the Police Court yesterday the evidence indicated that Smith is a "steerer" for the National Club, near the corner of Church and Bermuda streets. Smith has been hanging around the spot on Sundays for some time, and has been so persistent in returning to the place, corner Church and Bermuda after he has been ordered away, that it has aroused Church and Bermuda after he has been ordered away, that it has aroused the suspicions of the officers. It is alleged that Smith's business is to direct those that he is sure are O. K. how to get into the club-rooms to obtain liquer on Sunday. Justice Burroughs continued the case until to-morrow for additional evidence, plading the accused under \$100 bail bond for his appearance. J. L. Barco entered as his surety.

CAPTURED A DOZEN.

A dozen of the black faces that occupied the prisoner's pen in the Police Court yesterday were offenders captured by the officers in a raid made about 12 o'clock Saturday night in a small house at the corner of Chapel and Mezeley streets, occupied by William Austin, colored. The place has been under suspicion for some time as a resort for crap-shooters and other colored petty gamblers, and when the swoop was made the small room was found to be packed with the alleged sports. Mr. Julius T. Saunders represented the offenders before the Police Court yesterday and argued that the evidence for the prosecution had failed in proving that the place was a public one or that, it being a private house, that more than \$20 had been lost or won there at any time. That under the statute one of the above two things must be proven in order to convict, Justice Burroughs ruled, however, that while the fact of illegal gambling had not been proved as contrary to the statute, yet the evidence proved that Austin kept a gaming house, such as was a nuisance, and pumbshable under the common law. He therefore sent Austin on to the grand jury, and fined the others \$1 and costs each. Austin's body of the provential in the statute of the grand jury, and fined the others \$1 and costs each. SOUSA'S BAND CONCERT.—Sousa's grand concert band, the most pronounced musical success of recent years, will be heard on Friday, and its coming will be a most interesting event to all professionals and lovers of music. He made the Marine Band, of Washington famous for its excellence and followed this by organizing two years ago, for Manager Blakley, what has been repentedly and universally proclaimed the finest concert band ever heard in America. Two concerts will be given, Matinee and night, the prices for both being the same—25c., 5c. 7c. and 11—therefore reserver seats can be secured this mercial of Innect Durcerts.

Almost every other man or woman you meet has it, and the result is that the number of pseudo-remedies for it is as numerous as Pharcah's host. They are for the most part worthless. There is, however, a searching cradicant of this distressing and obdurate malady, one distressing and obdurate malady, one nowever, a searching cradicant of this distressing and obdurate malady, one whose genuine merits long since raised it to a foremost place among the staple medicines of America.
