

Fourth Edition. THE LATEST WASHINGTON.

Postal Route Deficiency Bill Gets a Blow.

Probable Revision of The Whisky Tax.

WHAT ANDY FRANCISCO THINKS.

WASHINGTON, March 29.—Mr. Andy W. Francisco, of the Ohio State Journal, has been in Washington for a few days. Speaking of politics in Ohio, Mr. Francisco says he has no doubt but that the vote of Ohio at the Convention will be cast solid for Sherman. After Sherman, Blaine, he thinks is most acceptable to the Ohio people. Grant is in Ohio the weakest of the publican candidates, since the German element is so decidedly opposed to him. The struggle at the opening of the Convention will be mainly between Grant and Blaine. Neither of these being able to obtain the nomination, the support of one the other will go over to Sherman.

LETTER FROM DISTILLERS.

Governor Tom Young and Mr. Butterworth have been petitioned by fifty-two distillers of Ohio to support Carlisle's bill to raise the revenue laws relative to distillers.

PERSONAL.

R. Maxwell, of Cincinnati, is here.

HOW PENNSYLVANIA WILL GO.

Speaker Randall said this morning that the Philadelphia Democratic Convention there will be a clear majority of fifty against Wallace. In other words, the Pennsylvania delegation to Cincinnati will be for Tilden.

STAR ROUTE DEFICIENCY.

The Sub-Committee on Appropriations today instructed Mr. Blackburn to report to the House the Star Route Deficiency bill, with the recommendation that the case do not concur in the Senate amendments to the bill.

REVISION OF WHISKY TAX.

The Sub-Committee on Ways and Means today virtually agreed to Mr. Carlisle's bill for a revision of the Revenue Law relative to whisky. Mr. Carlisle called to-day Commissioner Raum in reference to the latter.

OFF TO NEW YORK.

President Hayes, Mrs. Hayes, Miss Cook and Secretary Evar and Ramsey left the city this morning for New York to attend the exhibition of the Academy of Design.

WET AND WINDY.

Disastrous Consequences of Yesterday's Storm.

National Associated Press to the Star. TOPEKA, Kas., March 29.—An unusually violent storm of wind and rain has prevailed here for the last twenty-four hours. A colored boy named Steele, aged ten years, was struck by lightning and instantly killed. The south side of the Union Pacific Rolling-mills, in Northern Topeka, was blown in, and a number of freight houses and barns leveled to the ground. Trees and fences were badly demolished in a country southeast of here, and great damage has probably been done in other portions of the State.

CHARLESTON, ILL., March 29.—A severe and storm leveled the house of James Sady near here yesterday, and miles of ice, awnings and sign-boards have been blown through the air promiscuously. It was a fearful storm, and great damage done.

INDIANA, March 29.—A perfect gale raged all day. Several frame buildings were blown down, and other damage done in and elsewhere in Nebraska. Telegraph communication is interrupted.

ROKUK, IOWA, March 29.—The wind a gale all day Saturday, doing much damage, blowing down trees and fences and king telegraph lines. A large barn the city was blown down.

MOVEMENT EXTRAORDINARY.

File of Twenty-four Hours Flee with Her Lover.

National Associated Press to the Star. NASHVILLE, N. C., March 29.—An elopement under somewhat novel circumstances occurred in this county last night. A young lady of wealthy parents, of this county, it seems has been engaged to two men for some time, one of whom she married Friday night. Last evening the eloped lover accompanied the lady to the use of a neighbor, several miles from her home, on pretense of attending to a business matter with a neighbor, and on the way the elopement was agreed upon. A conveyance was hired, and last night the wife of twenty-four hours and her old lover eloped for parts unknown.

METROPOLITAN MENTION.

THE CONTENTS OF FOUR TRUNKS.

National Associated Press to the Star. NEW YORK, March 29.—There were taken to the seizure room at the Custom-house yesterday five trunks from the steamer Abyssinia, marked H. L. C. Chicago. Information was refused concerning the owner. The only passenger whose name corresponds to the address is a lady. The Custom-house officials said that the cause of the seizure was the fact that no declaration had been made. After a thorough in-

vestigation the following goods were confiscated: 1 porcelain set with 2 mantel ornaments, 2 elaborate French clocks, 13 dozen ladies' kid gloves, 4 hats, 1 lace shawl, 6 lace neckties, 2 lace capes, 3 English silk umbrellas and 3 dozen lace handkerchiefs.

MRS. BOUCAULT SPECIFICS.

It appears now in the divorce proceedings of Mrs. Dion Boucault she charges that her husband at various times during the last nine years has been unfaithful to his marriage vows in New York, London and elsewhere with Katharine Rogers, otherwise known as Mrs. Davis, and that she is the father of her boy, now living, and that they yet live together.

EASTER SERVICES.

Easter Sunday was more generally celebrated than heretofore, and sermons were preached on the commemorative event from nearly every pulpit. The new Cathedral was at its best, and in addition to a grand illumination of the sanctuary there were a liberal display of choice flowers and rare exotics. At Trinity the Astor altar was ornamented with choice flowers as were also the baptismal fonts.

THE COST OF ICE.

The cost of ice in this city will be 1 cent per pound hereafter, or over \$22 40 a ton, although the crop in Maine has been large, and ships are delivering ice from there at \$4 50 to \$5 a ton.

A BASELY SLANDERED MAN.

NEW YORK, March 29.—Eugene Fairfax Williamson now says the newspapers are telling lies about him. He objects strongly to the alias "Gentleman Jo," as being vulgar and coarse, and much prefers "High Churchman." He says his unpaid debts have got nothing to do with his present scrape and cannot imagine why anybody should be concerned about the financial difficulties that any gentleman, he says, is liable to get into.

THE WORLD'S WAIFS.

Sorrowful Death of a Fallen Priest.—Remarkable Adventures of a Polish Girl.

National Associated Press to the Star. CHICAGO, March 29.—John McManus, formerly a Canadian priest, and for over a year a wreck and wail upon the shoals of Metropolitan life, was found dead in a cell at the Madison-street Police Station at an early hour this morning by Officer Lawless. A few months since the Catholic clergy took him from the Police Court, where he was arraigned for drunkenness, and dressed him neatly, gave him money and started him in life once more. McManus was well connected and educated, but drunkenness seemed his great error. Saturday he came into the Station very drunk, and was allowed to depart when sober.

REARRESTED.

Later he appeared again, being carried in by six men in a state of dead intoxication. At midnight he spoke to the turkey and asked him to go to the bank, where he had two hundred dollars to bail him out, but this morning he was found dead.

BARBARA TOBER.

Barbara Tober, the little waif found in the Fort Wayne depot by Officer Libby on Friday, has at last spoken and given a history of herself.

Almost every language had been tried, but she did not comprehend anything said till Officer Schoenfeldt, who readily speaks five languages, addressed her in Polish; then the little creature's eyes stood out like two lamps, and fairly gleamed with intelligence. She explained that her parents lived in New York, and about two months ago sent to Russian Poland for her. She started with emigrants, who could not speak her language, and was brought through to Chicago, not having a word with anybody during all that time. The officer asked her what she thought they were intending to do with her, and she replied: "Why, they put me in prison here, and I didn't know where I was. I supposed they were taking me to Siberia."

MR. HUDOW, A POLE.

Mr. Hudow, a Pole, has taken Barbara into his family and will look after her until her parents are found. The child's father is Kantah Tobor, and her mother's name is Catherine.

AWAITING SENTENCE.

Doomsday for the Convicted Bribery Men.

National Associated Press to the Star. HARRISBURG, Pa., March 29.—At this hour none of the defendants in the bribery trials have made their appearance. The Court opened at 9 o'clock, but Judge Pearson told the District Attorney that he recollected he said he would not impose the sentence until 2 o'clock, so as to give the parties time to reach here from Philadelphia.

OF COURSE AT THIS HOUR IT IS DIFFICULT TO STATE WHAT THE SENTENCE WILL BE, BUT IT IS THE GENERAL OPINION WITH HARRISBURG PEOPLE, AND INDEED WITH KEMBLE & CO.'S FRIENDS, THAT JUDGE PEARSON WILL BE VERY SEVERE.

It is known that he has been very angry with the defense for asking so many continuances, and he reluctantly suspended sentence to the 29th on the personal appeal of the lawyers, that the defendants had large business interests that needed attention before they were incarcerated.

On Tuesday last he was served with notices that a pardon would be asked for and he became so indignant that he slammed the paper on the desk before he read it through.

Kemble, with his wife, was in New York this morning en route for this city.

LATER.—A rumor is just received from New York of Kemble's flight, but without confirmation.

TO-DAY IN CONGRESS.

HOUSE.

National Associated Press to the Star. WASHINGTON, D. C., March 29.—The States were called for bills and joint resolutions for reference as usual on Monday, and the following, among others, was introduced:

By Mr. Herbert of Alabama.—To provide and define the manner of guaranteeing to each State a republican form of Government.

SAN ANTONIO, TEXAS, March 29.—Sarah Alice Hughes, an English woman and variety actress, committed suicide last evening by taking arsenic.

THE FEUD FINALLY ENDED.

DALLAS, TEX., March 29.—Barter M. Bell charged J. L. Chandler with criminal intimacy with the former's wife, out in the Duck Creek neighborhood. The feud passed to Chandler's son-in-law, Hawkins, who in turn charged Bell with slandering his wife. Yesterday Hawkins and Bell's son rode up to Bell's gin, where an altercation ensued, ending by Hawkins shooting Bell three times and killing him. Young Bell was a silent spectator of the scene. Hawkins and young Bell were arrested and jailed.

POISONER PARTLY CONFESSED.

BOSTON, March 29.—Homer Wellington, the wealthy young merchant of Cambridge who was arrested a few days ago on suspicion of having poisoned his wife and child, by reason of being infatuated with another woman, has confessed that he poisoned his wife, but denies having poisoned his child. The remains of the child have been exhumed, however, and the autopsy reveals unmistakable symptoms of poisoning by arsenic.

WIFE MURDERED AT EVERETT.

BOSTON, Mass., March 29.—A Russian portrait painter named John B. Ozeroff, living at Everett, yesterday cut his wife's throat from ear to ear. She died almost at once, and Ozeroff was immediately arrested and is confined in the Everett Lockup, pending investigation of the medical adviser.

National Associated Press to the Star. CLINTON, IOWA, March 29.—The jury in the case of William Stewey for the murder of John W. Wall in this city, in November last, yesterday rendered a verdict, after deliberating two hours, convicting the prisoner of murder in the first degree and fixing the punishment at imprisonment for life.

LABORS OF EVANGELISTS.—DEATH OF FRY—BOHALL, THE BOGUS BABY MAN.

SPECIAL TO THE STAR. ST. LOUIS, March 29.—Mr. Moody leads a men's meeting here to-night, which closes his series of special service in this city. Whittle and Bliss, the evangelists, are here, however, and will continue to hold meetings.

Peter Frey, the old German who tried to kill his wife on Friday noon by cutting her throat and then severed his own wind-pipe, died yesterday in the same wretched apartment where the horrible deed was committed. The old lady lady will very probably recover.

Seth N. Bohall, the man who recently instituted a damage suit against Dr. Love on the absurd charge of poisoning off on him a bogus baby, which he was made to believe was a genuine chip of the old block, has been granted a divorce from his wife. The plaintiff is a small, cadaverous looking man with legs about the size of buggy spokes. His wife is said to be a muscular woman, possessed of great determination, and ready to fight at the drop of a hat. He kept a little cigar store on Fourth street and says that she would abuse him, knock him down and back him with a dagger.

Fully four thousand people were present at the religious services at the Music Hall yesterday afternoon. The sermon by Dr. Pratt was upon the subject of the "Resurrection." Owing to the occupancy of the hall by the Widows' Home Festival there will be no services next Sunday, but they will be resumed the following week. A full force of ushers has been organized, which will hereafter lessen the commotion during the opening exercises.

At the Union Bethel Church last evening twelve persons were received into the membership on experience, two were received by letter, five infants were baptized and seven names were proposed for membership. The congregation was the largest that has convened in the church for some time and an unusual amount of interest in the exercises was manifest. In the morning Rev. Mr. Lee preached a sermon upon the subject of the Resurrection.

Easter was more generally observed yesterday at the churches than it has been for many years. At all the Catholic and Episcopal Churches and at many of the Methodist and other Protestant Churches there were large congregations, elaborate floral decorations, choice music and sermons upon the subject of the Resurrection. It is seldom that such extensive floral and other decorations are witnessed in our churches, and the music of yesterday was of an exceptionally high order, both as regards the selections and the manner in which they were rendered. Yesterday being also the general review day for the Sabbath-schools following the international series of lessons, special exercises, consisting of music and short addresses upon the lessons of the quarter, were conducted in most of the schools.

Suicide by Hanging.

An unknown man, about forty years old, and having the appearance of being a tramp, committed suicide early this morning in the outhouse in the yard of the California School, just this side the Miami River. The man, who was about five feet six inches in height, had tied one end of a piece of twine to the lattice fence and then,

placing the noose around his neck, let himself drop upon the seat. In his fall the twine broke, but the noose remained tight enough around the neck to choke the man to death. The twine had imbedded itself deeply in the skin. He was found at half-past 7 o'clock by the school-mistress. The Coroner went out this afternoon to hold an inquest.
