

AMUSEMENT WORLD.

Notes, Musical and Theatrical, Here and at Other Places.

Grand Opera House. COLVILLE'S OPERA BURLESQUE COMPANY. The Colville Opera Burlesque Company have played during the week to fair houses.

THE TOURISTS NEXT WEEK. Commencing Monday night we are to have a week of fun by the Tourists Company, which created such a furore here and all over the country early in the season.

Miss Rose Cooke, who takes a leading role, is a sprightly soprano singer of good ability. Mr. W. A. Mestayer excels in comedy and character acting, and is the leading spirit of the show.

Act I. Scene—Newport. Act II. Scene—The interior of a Pullman palace car. Railroad Galop. Nursery Rhymes, "Poor Cock Robin," original with the Tourists.

Act III. Scene—Pullman Palace Car. Jubilee Melodies: "In the Morning by the Bright Light," "Golden Slippers," "Wide, Wide River," "Grand Finale and "Forward to Do or Die," from Fatiniza, and end of route.

Pike's Opera-house. "OUR GIRLS." Mr. Byron's new comedy, "Our Girls," has many good points and is withal a pleasant piece that can be thoroughly enjoyed by lovers of comedy.

COMIC OPERA BY THE UNITY CLUB. We have several times mentioned the preparations of the Unity Club for producing "The Doctor of Alcantara."

The first act will be in the nature of a prologue, and with a village festival scene as a background will introduce the chorus as merry-makers on a holiday.

Following are the names of the dancers: Miss Stanwood and Mr. Fenton Lawson, Miss Evans and Mr. Spencer Daid, Miss Leonard and Mr. George W. Jones, Jr., Miss Alice Allen and Mr. Charles J. Green, Miss Elvina and Mr. James Stanwood, Miss Genevieve Allan and Mr. George Hill, Miss Hill and Mr. Harry Woods, Miss Handy and Mr. Harry Leonard.

Heuck's Opera House. OLIVER DOUD BYRON. Oliver Doud Byron, supported by an excellent company, has been playing "10,000 Miles Away" at Heuck's this week to tremendous audiences nightly.

ALICE OATES. Commencing Monday night, Alice Oates and the same company which appeared at the Grand a few weeks since will begin an engagement of one week at Heuck's, producing first "The Sea Cadets," which will be put on with new scenery and full chorus.

Vine-Street Opera-House. The Vine-Street Bonanza has a programme this week that should not be missed. This being the only variety theater in the city, of course it comes in for a good share of patronage and continues to do a good business.

Musical and Dramatic Notes. Richmond and Von Boyle's party are in Columbus. "The Pirates of Penzance" is to be sung in Memphis next week.

Mme. Marie Rose will be the principal soprano at the Leeds, England, festival. Colonel Robert G. Ingersoll has a new lecture entitled "What Must We Do to Be Saved?"

The White & Emond New York Criticism Pleasure Party take the road about May 3d. Next season smoking will be prohibited altogether at Heuck's. This should have been done long ago.

Matinees to-day—Colville Opera Company at the Grand, "Our Girls" at Pike's.

SPORTING SPARKS.

The Cincinnati Stars Will Open the Season This Afternoon with a Strong Picked Nine and Play Three Games Next Week with the Nationals.

Base-ball Bits, Turf Topics, Sculling Squibs, Pedestrianism, Personal and Miscellaneous Mentions.

Game to-day. Stars vs. picked nine to-day. Buckeyes vs. Americans to-morrow. New York is organizing a nine.

Reis, the pitcher, married a Dubuque, Iowa, lady. Frank Ramsay will be in the ticket office at the Star Park this season.

The Dartmouth Club play the Bostonians Monday and Wednesday at Boston. Next Wednesday, Thursday and Saturday, the Nationals, of Washington, will cross bats with the Stars.

Booth played a beautiful game last Sunday and was frequently applauded. He plays with the picked nine to-day. Mitchell is "still in the city," and has not been engaged yet.

Amateur clubs throughout the country can make arrangements for playing the Buckeyes in Cincinnati by addressing Manager Mark Wallace.

The following games will be played in the East to-day: Boston vs. Harvards, at Boston; Nationals vs. Providence, at Washington; Worcester vs. Brown University, at Worcester.

The Clinton Stars will begin the season this afternoon by playing a strong picked nine. The game will be called at 2:30 p. m., and the admission has been put down to twenty-five cents.

The Dubuque Club, of Dubuque, Iowa, have selected Charles McLean as their official scorer for the season of 1880. The selection is an excellent one.

There will not be any game at the Park to-morrow, but on the following Sunday the Eclipse Club, of Louisville, will be here, and two weeks from to-morrow the Buckeyes will play the Mohawk Brown Stockings.

Martin Powell, of last year's Holyokes, has been engaged by the Nationals, of Washington, as their first-baseman, in the place of George Latham, who has been released. This will strengthen the Nationals considerably.

Before the game last Sunday Mark Wallace said if the Buckeyes didn't win Cincinnati would attend the funeral of nine ball players and mourn the loss of a new manager. They won, and players and managers will remain with us.

The Stars will play in the following positions: Clapp, catcher; White, pitcher; Carpenter, first-base; Smith, second-base; Wright, short-stop; Leonard, third-base; Mansell, left-field; Manning, center-field and Deagle, of last year's Mohawk Brown Stockings, right-field.

The Enquirer is responsible for an item which is going the rounds to the effect that pool selling has been prohibited in the State of Ohio. This is not correct.

The members of the Star Club are required to be on the grounds and practice every day from 9 a. m. till noon, and from 2 p. m. till 5 o'clock. The other day Will White made his appearance an hour late and Captain Clapp immediately fined him \$1. This is the proper way, and will learn the boys to be on hand.

The picked nine will be composed of the following: Purcell and Reiley, catcher and pitcher; J. G. Reilly, first-base; Summers, second-base; Booth, third-base; Mitchell, short-stop; Wm. Keiley, left field; Harry Wheeler, center-field, and John Magner, right-field. This is really a strong nine and ought to make it interesting for the Stars.

The expense last season to witness a game was seventy cents, including car fare and admission to the grand stand. This year one can take the car at Fourth street, get into the grand stand at the park and it costs just sixty cents—ten cents less. This year there will be forty-two league games played and suppose one attends every game the total amount saved is \$4 20.

In order to see how Reiley and Purcell, our orange catcher and pitcher, will work, they have been put in the picked nine and will play the first six innings on that side and then play the game out on the other side, while Clapp and White will catch and pitch the three last innings for the picked nine. This will give the boys an excellent chance to test themselves all around.

The Nationals, of Washington, will be here next week, and play the Stars Wednesday, Thursday and Saturday. The following will show what a strong team the Stars will have to contend with: Leach, pitcher; Snyder, catcher; Powell, first base; Gerhardt, second base; Warner, third base; McClellan, short-stop; Dignan, left field; Baker, center field; Derby, right field.

Baltimore has a club at last, Manager H. B. Phillips this week engaged Brothers and Hayes. The nine includes the following players: Deasley, catcher; Deasley, pitcher; Richmond, s. c.; Brothers, 1st b.; Myers, 2d b.; Smiley, 3d b.; and Hawes, c. l. We have not yet ascertained who the other two players will be.

Manager Mark Wallace completed arrangements last night for a game to-morrow. The Buckeyes will play the American Club, a nine well known and made up from some of the best material in the city.
