

RUNNING RACES.

The Sport to Begin Next Tuesday at Chester Park and Last Five Days.

A Few Remarks About the Horses -- Programme of Races and Notes and News.

RUNNING RACES NEXT WEEK.

The spring running meeting of the Chester Driving Park Association begins next Tuesday and lasts five days.

The buildings in connection with the track have all been cleaned and thoroughly overhauled, and everything put in fine condition for the coming sport.

The track itself is rather hard, and a little rain will not hurt it in the least.

The prospects for a good meeting are excellent, and should the weather be good the attendance will probably surpass all previous meetings.

About thirty horses were at the stables yesterday afternoon, and a large number came in last night and this morning.

Prominent among the animals at the track yesterday were the following:

Little Reb, dam Kentucky; Typhone, by War Dance, dam Wagner, and Bucktie, by Buckton. These belong to the same stable.

Caldwell & Cree's stable--Ch. L. Mary Anderson, three years old, by Ventilator, dam Queen of the West, Mary Walton, four years old, by John Morgan, dam Elie Cheatham.

Killer's stable--Carl Morgan, by War Dance, dam Experiment, by Phenton. Beckey Wright, three years old, by Tom Bowling, dam by Imp. Bonnie Scotland.

Mr. Davis has Charles Maim, four years old, by Pat. Maloy, dam Alice Burfin, Omega, by Pat. Maloy. Alfie, by Pat. Maloy, dam Mollie Timm. Sallie Polk, by Glen Athal, dam Rapadan. Bettie F., four years old, by War Dance, dam Melrose. Edgedale, five years old, by Halcaasar, dam by Charles Ball. Ch. L. Beeching, by Balenkeel, dam Orphan Girl. Ch. F. Wampee, by John Morgan, dam Dora, Australian. K. G. Recorder, by John Morgan, dam Queen of the West.

Jim Fay, by Prussian dam Ada Bald; John Graver's, by C. Greenland, by Imp. Cleary, dam Nevada, by Lexington.

Mr. Whitney's stable, comprising Macedonias and Gyantwah, arrived yesterday from Rochester, N. Y., after being four days on the road and meeting with no end of trouble. Whitney is thoroughly disgusted with his trip so far, and nothing short of two or three good fat purses will restore him to his usual good humor.

Mr. Tines has six horses at the track, namely: Miss Maryland, Cash Clay, Minnie, Harry Gow and Astrol.

J. Carter's ch. c. Brooklyn, by Bonnie Scotland, dam Mollie.

NOTE. Brambellea is expected, but had not arrived this morning.

Quite a number of people visited the stables yesterday and to-day to look at the flyers.

Brooklyn will in all probability run in the Derby Tuesday. He was a winner at Nashville and at Louisville, where he came from this morning.

A look at Maud S. yesterday showed the mare to be in a fine condition. W. W. Fair has her in charge, and her stall is almost as neat as a parlor.

Mary Anderson had her leg cut in Louisville. Although it is kept bandaged she is getting along nicely and will try hard for the Derby. She is also entered for the Burnet House Stake.

Increasing Use of Compound Oxygen by Physicians. A large and steadily increasing number of intelligent physicians in all parts of the country are using Compound Oxygen in Chronic Cases which they have not been able to cure with ordinary remedies.

Writes one: "I shall make the Oxygen treatment a prominent feature in my practice, for I have tested it sufficiently to satisfy me of its merits." Says another: "I do know that my patient is a hundred per cent. better, and is gaining rapidly. His left lung was almost consolidated, but is now free except in one small spot."

Another physician who used it in his own case says: "I was relieved, the first time I used it, of a very severe catarrh trouble; and my lung troubles promises to be a thing of the past." Writes another: "I am thoroughly convinced that the Compound Oxygen is what we need in a vast array of Chronic Diseases." We could give columns of extracts from our correspondence with physicians who are using this new treatment, all of the same tenor. If you wish to know what Compound Oxygen is, and what it cures, send for our Treatise on its Nature, Action and Results. It will be mailed free. Drs. CATTARRH, BRONCHITIS, ASTHMA.

And the early stages of Consumption, are most successfully treated by the use of a Compound of CARBOLENE OIL OF TAR and the most healing Balsams, which by simply breathing or inhaling is converted into a cleansing, heating and vitalizing vapor, and taken direct to the disease, where it heals as quickly as the best liniment has an ordinary sore. It cures, first by destroying the cause; second, by local application of soothing and healing vapor; third, by purifying, vitalizing and building up the system.

Do not be deceived by worthless imitations, advertised by the unscrupulous and un-called doctors, who charge you a big fee, or two prices for the inhalant and medicine. Order Kitzmiller's and secure the most reliable treatment at a reasonable price. J. Price Miller, M.D., Physician-in-charge. Office hours, 9 a. m. to 4 p. m. Professional advice by mail.
