FREMONT WOOL DEPOT!

DURING the late visit of Mr. KENDALL, he made arrangements for the opening of a

WOOL DEPOT in Fremont,

on a most extensive scale.

Finding the spacious Ware Rooms which they now occupy too small to accommodate this addition to their business

Kendall & Nims

have rented the large building formerly occupied by Mr. Morehouse, and intend using it for the

Purchase and Packing of WOOL for Sandusky and the adjoining counties.

They hope to offer inducements to the surrounding country to bring to this market their entire clip the present season, as Mr. Kendall has made

ARRANGEMENTS WITH EASTERN OPERATORS,

which will enable them to pay the very highest prices the market will command. They are thus determined TO FULFILL THE PLEDGES one after another, which they at first made to the public, so that their Establishment shall indeed be

Head Quarters!

where the whole farming intetest in all this section, can buy and sell to the

GREATEST ADVANTAGE.

The Cargoes of **Wheat, Oats and Corn,** for which they have this season paid out the "necks," have brought farmers from Seneca, Hancock, and many of the surrounding counties; and the constant throng at their counters fully demonstrates that they can here purchase their

Goods cheaper than any where else

in all this section of the country. The REAR BATTALIONS have just arrived, bringing an immense assortment and many articles at Greatly Reduced Prices,

so that they can now sell IRON for WAGONS, all round at $4. Prime BROWN SUGARS, sixteen and twenty pounds for $1. Good MOLASSES, at 31c; best SUGAR-HOUSE, only 40c; and many of the other great staples at an

ASTONISHING REDUCTION.

In consequence of the wonderful success at Head Quarters, it is expected that counterfeiters will be very plenty the coming season; in fact some excellent imitators have already made their appearance in the shape of flags, signs, mottoes, &c , &c., but it is all "no go," for the people understand that these "bogusers" are no more like the genuine

OLD CASH STORE,

At Head Quarters,

than a 'brass button' is like a real 'California.' They must be excused, however, from all criminal intentions, since it is evident that they did not know but what the "Express" line run by "Telegraph." Bring on therefore, your Oats, Wheat, Corn and Wool for the

GREAT AMERICAN REMEDY

WESTERN NEW YORK

COLLEGE OF HEALTH.

207 Main Street, Buffalo, New York.

DR. G. C. VAUGHN'S

Vegetable Lithontriptic Mixture.

THIS celebrated remedy is constantly increasing its fame by the many cures it is making

All over the World.

It has now become the only medicine for family use and is particularly recommended for

Dropsy.

All stages of this complaint immediately relieved, no matter of how long standing. (See pamphlet for testimony.

Gravel,

and all diseases of the urinaty organs; for these distressing complaints it stands alone; no other article can relieve you, and the cures testified to will convince the most skeptical. See pamphlet. Liver complaint, bilious diseases,

Fever and Ague.

To the great west especially, and wherever these complaints prevail, this medicine is offered.

No Mineral agent,

no deleterious compound is a part of this mixture, it cures these diseases with certainty and celerity, and does not leave the system torpid. See pamphlet.

Piles,

a complaint of a most painful character, is

Immediately Relieved.

and a cure follows by a few days use of this article; it is far before any other preparation for this disease, or for any other disease originating from impure blood. See pamphlet.

Debility of the System,

weak back, weakness of the kidneys, &c., or inflamation of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as

A Certain Remedy

for such complaints, and also for derangements of the female frame,

Irregularities, Suppressions,

painful menstruations. No article has ever been offered except this, which would touch this kind of derangements. It may be relied upon as a sure and effective remedy, and did we feel permitted to do so, could give

Thousands of Names

as proof of cures in this distressing class of complaints; see pamphlet. All broken down, debilitated constitutions from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.

Eruptive Diseases

will also find the alterative qualities of this article

Purify the Blood,

and drive such diseases from the system—see pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named therein. Agents will give them away; and they contain 32 pages of certificates of high character, and a

Stronger Array of Proof,

of the virtues of a medicine never appeared. It is one of the peculiar features of this article that it never fails to benefit in any case, and if bones and muscle are left to build upon, let the emaciated and lingering invalid

Take new Courage,

and keep using the medicine as long as there is an improvement. The proprietor would

CAUTION THE PUBLIC

against a number of articles which come out under the head of Syrups, Sarsaparillas, &c., as cures for Dropsy, Gravel, &c.; they are good for nothing, and are only concocted to gull the unwary.

Touch them not.

Their inventors never thought of curing such diseases till this article had done it. A particular study of the pamphlet is earnestly solicited.

Agents and all who sell the article are glad to circulate gratuitously. Put up in 30 oz. bottles at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn," on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.—Prepared by Dr. G. C. Vaughn, and sold at the principal office 207 Main street, Buffalo, at wholesale and retail. No attention given to letters unless post paid—orders from regular constituted agents excepted; post paid letters or verbal communications soliciting advice, promptly attended to gratis.

Offices devoted exclusively to the sale of this article, 132 Nassau street, New York city; 225 Essex street, Salem, Mass., and by the principal druggists throughout the United States and Canada.

TRICKS OF QUACKS.

LET EVERYBODY READ THIS CAREFULLY.—There is a Sarsaparilla for sale in the different towns called W. P. Townsend's Sarsaparilla. It is advertised as the ORIGINAL, GENUINE, and all that. This Townsend is no doctor and never was; but was formerly a worker on railroads, canals, and the like—yet he assumes the title of Doctor for the purpose of gaining credit for what he is not. He says "he has attended two medical schools, and practiced for fifteen years!" Now the truth is, he never practiced medicine a day in his life! Such *sinful, wicked* misrepresentation looks bad to the character and veracity of the man. I wish most sincerely, he had never made those statements of himself or of me. When will men learn to be honest and truthful in all their dealings and intercourse with their fellow man! He applied to one Rust Clapp to assist him in manufacturing his mixture, stating the large sums he would make, as an inducement to embark in the business. These men have been insulting and libelling me in all possible forms, in order to impress the public with the belief that the Old Doctor's Sarsaparilla was not the *genuine, original Sarsaparilla*, made from the *Old Doctor's Original Recipe*. This S. P. Townsend says I have sold the use of my name for $7 a week. I will give him $500 if he will produce one single solitary proof of this. His statements of Thompson, Skillman & Co., are nothing but a tissue of falsehoods, simply made to deceive the public, and keep the truth down in regard to his *souring, fermenting* compound. This is to caution the public to purchase none but Old Dr. JACOB Townsend's Sarsaparilla, having on it the Old Doctor's likeness, his *family Coat of Arms*, and his signature across the Coat of Arms.

Principal Office, 102 Nassau street, N. Y. City.

JACOB TOWNSEND

Old Dr. Jacob Townsend,

THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the *ACTOR* and *DISCOVERER* of the *GENUINE ORIGINAL "TOWNSEND SARSAPARILLA."* Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those who had proved its worth, and known its value. It had reached the ears of many, nevertheless, aqualizes the circulation of the blood, producing gentle warmth equally all over the body, and the insensible perspiration; relaxes stictures and tightness; removes all obstructions, and invigorates the entire nervous system. Is not this them

The Medicine you pre-eminently need?

But can any of these things be said of S. P. Townsend's imitation article? This young man is liquid is not to be

COMPARED WITH THE OLD DR'S.

because of one GRAND FACT, that the one is INCAPABLE of DETERIORATION, and

NEVER SPOILS,

while the other DOES: *souring, fermenting*, and *blowing the bottles* containing it into fragments; the sour, acid liquid exploding, and damaging other goods! Must not this horrible compound be poisonous to the system?—*What! put acid into a system already diseased with acid?* What causes Dyspepsia but acid? Do we not all know that when food sours in our stomaches, what mischief it produces?—flatulence, heartburn, palpitation of the heart, liver complaint, gravel, dysentery, colic, and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sores, and all ulcerations internal and external? It is nothing under heaven but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour and acid fluid which insinuates itself between the joints and elsewhere, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulation, and nearly all the ailments which afflict human nature.

Now is it not horrible to make and sell, and *infinitely worse* to use this

SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND,

and yet he would fain have it understood that Old Dr. Jacob Townsend's *Genuine Original Sarsaparilla*, is an IMITATION of his inferior preparation!!

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article!

We wish it understood, because it is the *absolute truth*, that S. P. Townsend's article and old Dr. Jacob Townsend's Sarsaparilla are *heaven-wide apart*, and *infinitely dissimilar*; that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmaceutist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what *guarantee* can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of changes which might render them the AGENTS of Disease instead of health?

But what else should be expected from one who knows nothing comparatively of medicine or disease? It requires a person of some experience to cook and serve up even a common dinner meal. How much more important is it that the persons who manufacture medicine designed for

WEAK STOMACHS AND ENFEEBLED SYSTEMS,

should know well the medical properties of plants, the best manner of securing and concentrating their healing virtues, also an extensive knowledge of the various diseases which affect the human system, and how to adapt remedies to these diseases!

It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kindle hope in the despairing bosom, to restore health, and bloom, and vigor into the crushed and broken, and to banish infirmity that OLD DR JACOB TOWNSEND has SOUGHT and FOUND the opportunity and means to bring his

Grand Universal Concentrated Remedy

within the reach, and to the knowledge of all who need it that they may learn and know, by joyful experience, its

Transcendent Power in Healing

as those persons who had been healed of sore diseases, and saved from death, proclaimed its wonderful

HEALING POWER.

This GRAND AND UNEQUALLED PREPARATION is manufactured on the largest scale, and is carried for throughout the length and breadth of the land, especially as it is found incapable of degeneration or deterioration.

Unlike young S. P. Townsend's, it improves with age, and never changes but for the better; because it is prepared on *scientific principles* by a *scientific man*. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought into requisition in the manufacture of the Old Dr's Sarsaparilla! The Sarsaparilla root, it is well known to medical men, contains many medicinal properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, would *ferment, turn to acid*, which is not injurious to the system. Some of the properties of Sarsaparilla are so *volatile* that they entirely evaporate and are lost in the preparation, if they are not preserved by a *scientific process*, known only to those experienced in its manufacture. Moreover, these *volatile principles*, which fly off in vapor, or pass exhalation, under heat, are the very *essential medical properties* of the root, which give to it all its value.

Any person can boil or steep the root till they get a dark colored liquid, which is more from the coloring matter in the root than from anything else; they can then strain this insipid or vapid liquid, sweeten with sour molasses, and then call it "SARSAPARILLA EXTRACT or SYRUP." But such is not the article known as the

GENUINE OLD DR. JACOB TOWNSEND'S SARSAPARILLA.

This is so prepared that all the inert properties of the Sarsaparilla root are first removed, everything capable of becoming acid or fermentation is extracted and rejected; then every particle of medical virtue is secured in a pure and concentrated form; and when it is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of innumerable Diseases.

Hence the reason why we hear commendations on every side in its favor by men, women, and children. We find it doing wonders in the cure of

CONSUMPTION, DYSPEPSIA, and *LIVER COMPLAINT* and in *RHEUMATISM, SCROFULA, PILES, COSTIVENESS*, all *CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES*, and all affections arising from

IMPURITY OF THE BLOOD.

It possesses a marvellous efficacy in all complaints arising from *Indigestion*, from *Acidity of the Stomach*, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and hands, cold chills and hot flashes over the body. It has not its equal in *Colds* and *Coughs*; and promotes easy expectoration and gentle perspiration, relaxing strictures of the lungs, throat and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.

It works wonders in cases of *Fluor Albus* or *Whites, Falling of the Womb, Obstructed, Suppressed*, or *Painful Menses, Irregularity* of the menstrual periods, and the like; and is effectual in curing all the forms of *Kidney Diseases*.

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

Nervous Diseases and Debility,

and thus prevents or relieves a great variety of other maladies, as *Spinal irritation, Neuralgia, St. Vitus' Dance, Sleeplessness, Epileptic Fits, Convulsions*, &c.

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, allays inflammation, ourifies the skin.

CONSUMPTION

In all Christianized and civilized countries, has caused a larger proportion of deaths than any other malady that afflicts the human family; and, until within a few years, there has not been *any certain remedy* to stop the devastation of the destroyer. But now—

BRANT'S INDIAN PULMONARY BALSAM

Cures very many of the most *strongly* marked and developed cases of *Pulmonary Consumption*—REAL, *undoubted* cases of ulcerated and *diseased LUNGS*—such *hopeless* cases as were never before cured by any other medicine. So *utterly hopeless* were some of the afflicted persons, as to have been pronounced by *physicians* and friends to be ACTUALLY DYING. Some, who had their burial-clothes made, have been cured, and yet live—others, who it was said would not live another day, are now as well and hearty as they ever were.

It possesses all the cleansing and purifying virtues nearly as powerful and active as the preparation which we call

BRANT'S INDIAN PURIFYING EXTRACT.

This differs from that, because this possesses *several other Medications* which are *peculiarly adapted* to, and are *essentially necessary*, to cure

Coughs and Consumptions,

and all diseases of a pulmonary nature—such diseases as usually prove so fatal under ordinary treatment, when they attack the

Breast, Throat, Lungs, and Heart.

This *BALSAM heals and cures Ulcers in the Lungs*, and elsew
