REPUBLICAN STATE TICKET

- FOR GOVERNOR, SALMON P. CHASE, of Hamilton. FOR LEUTENANT GOVERNOR, THOMAS H. FORD, of Richland.

REPUBLICAN MASS MEETING ON MONDAY LAST.—With many of our fellow citizens we visited the great Mass Meeting of the Republicans on Monday last...

Resolved, That the re-establishment of primitive Republicanism as taught by Washington and his contemporaries, is and shall be our aim and object...

Resolved, That we desire to blot out that curse of political evil—party spirit—by uniting all good men as a band of brothers in the common cause of civil and religious liberty...

Resolved, That we are opposed to slavery extension, but equally opposed to interfering with it where it now Constitutionally exists.

Resolved, That the course pursued by the Cincinnati Times, in endeavoring to sow discord in the American ranks, justly calls for our condemnation...

Resolved, That we regard the nominees of the 13th of July Convention as correct representatives of the sentiments embodied in those resolutions.

Signed, W. S. BEATY, JOSUAH CLARKE, M. D. BROCK, JOHN KEMERER.

AMERICAN EXECUTIVE COUNCIL.—By private despatches we learn that the Executive Council of the American Party of Ohio have determined not to make any nomination for the coming campaign.

The Ohio Statesman, and all the little tadpole Locofoco papers that wiggle their tails in their dirty pool, are appealing with tears in their eyes, to the old Clay Whigs to 'help them out of the slough of despond'.

The Milwaukee Sentinel states that the farmers in that region are now very busy gathering an abundant harvest in good condition.

Circular from Mr. Spooner.

Thomas Spooner, of Cincinnati, President of the Order of Know Nothings in Ohio, has addressed a circular to the fraternity, in which he earnestly exhorts them to support Mr. Chase.

Among the reasons urged by Mr. Spooner for supporting Mr. Chase, are the following, which must carry weight with them:

While it is a well established fact, that the great body of the Order in Ohio, are opposed to any intermeddling with the regular institutions of the Slave States, it is equally certain that they are decidedly and earnestly opposed to all extension of Slavery.

The Statesman's Indorsement of Chase

Gen Cass asked our newly elected Senator—we told him that he would be in a few days—that he would find him to be a very clever fellow, of fine abilities, and right on most of the great questions, but a little streaked when the subject of Slavery was touched.

Does any man want to know who used that language in the winter of 1848-49? Well it is the declaration of SAM MEDARD, now, as then, the editor of the Ohio Statesman.

Resolved, That the purification of the ballot box by arresting foreign influence, correcting the facilities by which foreigners become voters, and requiring our official servants, both makers and administrators of the law to be true Americans, is the policy.
