**NOTICE.**—Is hereby given, that a protest, signed by a large number of free-holders of the county of Lucas, in the state of Ohio, has been filed in the office of the clerk of the court of common pleas of said county, remonstrating against the decision of the commissioners appointed by the general assembly of the state of Ohio, to locate the seat of justice of said county, and setting forth that the commissioners, aforesaid, have overlooked the true and permanent interests of the county—that they have rejected propositions the most favorable to the county, whereby the good people thereof would be greatly relieved from a heavy taxation, their public buildings erected free of any cost to them. That they have chosen a point far removed from the centre of the county—possessing no advantages necessary to be possessed by a point chosen for such purpose—inconvenient to the great body of the people of the county, and highly detrimental to their interests. And further: Notice is hereby given that an application will be made at the ensuing session of the general assembly, for a review of the said decision, and for the appointment of commissioners to relocate the seat of justice aforesaid, on an eligible and proper site.

His warmest gratitude being due to a generous public for their liberal support, while keeping a public house in Fort Defiance, he renders them thanks for the past, with an honest confidence that he may not be forgotten in times to come.

**PROSPECTUS OF THE MAUMEE EXPRESS.**—The Express will be devoted to the interests of the section of the country in which it is located, and will be conducted in such a manner as to disseminate such information as shall be deemed interesting and valuable to its readers.  
In regard to the political course to be pursued by the Express, its proprietors would observe, that the day is passed, when it would be considered a reproach to a periodical publication of matters of a party political character, and that in their opinion the paper may be filled with matter other than exciting political disquisitions, which shall be of equal importance to its readers, and to the country at large. In making these remarks, it is not to be understood, that politics are to be entirely excluded from the columns of the Express; on the contrary, its conductors consider themselves at liberty to animadvert freely upon the acts and doings of all parties, as well as to pursue independently any political course which may be considered beneficial to the cause of equal rights, and republican institutions.  
The proceedings of the National and State legislatures—the current news of the day, and all matters either of general or local interest, will be freely discussed and recorded in the columns of the Express; and while in regard to local matters, the business capabilities of that part of the great Maumee Valley, known as the Foot of the Rapids, will be strenuously advocated,—still, the great interests of the whole country will find in the paper a zealous and hearty support.  
The Express is printed on an imperial sheet, with new type, and will be given to subscribers at the rate of three dollars per annum, payable within six months.

**NOTICE.**—Those who have claims against the late JAMES DONNELLY, are requested to present the same, duly authenticated, within three months from this date, or be barred from the benefit of a certain assignment made by said Donnelly, in favor of his creditors; and all those indebted to the said James Donnelly, are requested to make immediate payment to me, as his legal representative.
