

The Weather.

New York, Jan. 30.—The weather in this vicinity has been colder since Saturday than at any period since 1839. At Portland yesterday, it was 18 degrees below zero.

At Montpelier, Vt., yesterday, the thermometer was 32 degrees below zero, and this morning 28. At Concord, N. H., at sunrise yesterday, it was 28 degrees below zero, and this morning 19.

India Rubber Establishment Burnt.

HARTFORD, Ct., Jan. 30.—Hayward's India Rubber works, at Colchester, were burnt on Saturday. One of the overseers, Geo. Stark, was consumed in the flames. Five hundred hands are thrown out of employment. Five extensive buildings were burnt. The loss is heavy, but fully insured.

ON THE CASH PLAN—WHOLESALE Book and Stationery House.

MASON BROTHERS, 23 Park Row, opposite the Astor House, New York, offer one of the most extensive Stocks and Complete Assortments in the country

Of Books and Stationery, for Cash only.
The amount of goods in our line purchased by the country merchants is usually quite small compared with their dry goods, hardware, and other bills; and this very circumstance absolutely compels jobbers in the book business, who sell on time, to get large profits in order to make up for the losses and extra expenses necessarily involved in a credit business of small amounts. It is also easy for the merchant to make arrangements to buy his book bill for cash, though it might not be so convenient for him to purchase his larger bills in this way.

These considerations have led us to adopt in our business from this date, January 1854, the following principles, to wit: Small profits, unvarying prices, and terms *always cash.*

Being ourselves the sole publishers of a number of the leading and most extensively selling School Books in the country, as well as works in other departments, our facilities are unsurpassed.

Call upon us, or send an order, and judge for yourselves, if the saving you can make by buying of us for cash, is worth while. MASON BROTHERS, Jan 20, 1854.—45tf 23 Park Row, New York.

The British Quarterlies, and Blackwood's Magazine.

LEONARD SCOTT & CO., New York, continue to re-publish the following British periodicals, viz:
THE LONDON QUARTERLY REVIEW (Conservative.)
THE EDINBURGH REVIEW (Whig.)
THE NORTH BRITISH REVIEW (Free Church.)
THE WESTMINSTER REVIEW (Liberal.)
BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)

The present critical state of European affairs will render these publications unusually interesting during the year 1854. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily journal, and the ponderous tomes of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Arrangements are in progress for the receipt of early sheets from the British publishers, by which we shall be able to place all our reprints in the hands of subscribers about as soon as they can be furnished with the foreign copies. Although this will involve a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz:—

Per any one of the four Reviews	Per ann. \$3.00
For any two of the four Reviews	5.00
For any three of the four Reviews	7.00
For all four of the Reviews	8.00
For Blackwood's Magazine	3.00
For Blackwood and three Reviews	9.00
For Blackwood and the four Reviews	10.00

Payments to be made in all cases in advance. Money current in the state where issued will be received at par.

CLUBBING.—A discount of 25 per cent. from the above prices will be allowed to clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood, or of one Review, will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$30; and so on.

POSTAGE.—In all the principal cities and towns, these works will be delivered, through agents, FREE OF POSTAGE. When sent by mail, the postage to any part of the United States will be but 24 cents a year for Blackwood, and but 12 cents a year for each of the Reviews.

Remittances and communications should always be addressed, post-paid, to the publishers,

N. B.—L. S. & Co. have recently published, and have now for sale, the "FARMER'S GUIDE," by Henry Stephens, of Edinburgh, and Prof. Norton, of Yale College, New Haven, complete in 2 vols. royal octavo, containing 1600 pages, 14 steel and 600 wood engravings. Price in muslin binding, \$6.

This work is not the old "Book of the Farm," lately resuscitated and thrown upon the market.

THE NEW POSTAGE BILL.

The project for changing the rates of postage under this Government, reported by Mr. Olds a few days since from the House Committee on Post Offices and Post Roads, contemplates making it obligatory to pre-pay all letters sent in the mails, and proposes also to fix the rates of postage at three cents per half ounce for all distances up to three thousand miles, and six cents for all greater distances. We learn, on inquiry, that about 900 bushels of dead letters are received at the Post Office Department each quarter, three-fourths of which are of course unpaid. We trust that the pre-payment feature of this bill may become a law. It will vastly reduce the labors of Post Office employees everywhere, while it cannot fail greatly to tend to supply the very large deficiency in the revenue of the Post Office Department, so far resulting from the last reduction of postage rates. —[Wash.
