INTERSETING SHORT BITS.

Preface.

The ladies of the A.M. Church, who have for some time been in the habit of giving an annual banquet, and having been away from church during the past year, have been engaged in collecting subscriptions to purchase property for the church, and to build a large edifice. The ladies have made a great effort, and the money has been subscribed in large numbers of dollars. The church is now about $1,000 in debt, and it is expected that it will be paid off in a few years. The ladies have been very active in collecting the money, and they have been very successful in their efforts. The church will be completed in about six months, and it will be a beautiful edifice.
