**DEMOCRATIC CONVENTION.**  
The Democrats of Champaign County are requested to meet at the Court House, in Urbana, on Saturday the 30th day of August 1870, at 2 o'clock P. M. for the purpose of putting in nomination the following County Officers to be voted for at the ensuing October Election viz:  
1 Sheriff.  
2 Commissioners.  
3 Coroner.  
2 Inferior Judges.  
The several Townships of the County will be entitled to the following number of delegates to said County Convention:  
Adams 6 Mad River 13  
Concord 5 Rush 3  
Goshen 3 Salem 5  
Harrison 3 Urbana 29  
Johnson 4 Wayne 4  
And will meet at their usual places of holding Township Meetings on Saturday July 30th 1870, at such hours as they deem best.  
By order of the Democratic Central Committee JAMES TAYLOR, CHAIRMAN.  
Subsorb for the Union, \$1, per year.  
The Lutheran Church is newly roofed.  
Do not fail to attend the Forest Picnic at the Fair Grounds, next Saturday.  
U. S. Soldiers have been stationed in North Carolina to intimidate Democratic voters at the elections.  
Lay the delegates to the Democratic County Convention, to be appointed in every township, next Saturday.  
The Fire Department of Cincinnati, have discharged 28 men from their service, thereby saving an expense of \$6,700 per year.  
H. Fox & Co. have forwarded some samples of their goods to the exposition of textile fabrics, at Indianapolis. They will surely bring home the red ribbon.  
The open Air Concerts practiced in Urbana, by Porter's Band, during last year and the present, are about to be initiated in Columbus, and one Concert has had already.  
We understand that Mr. J. Aulbach has purchased the building now occupied by Gallagher, Powell & McCann, of Nelson's Block, and contemplates improving it.  
Mr. James House has resigned his position in the C. O. & I. C. freight office in favor of Mr. N. S. Chagnon. Mr. House will occupy the desk at the office of the steam elevator.  
Errata.—Our Mechanicburg Correspondent, in his communication, last week stated that the Union Agricultural Fair would commence September 4th. A typographical error made it read September 9th.  
FRANKLIN COUNTY Republicans send colored delegates to their Convention. What is the matter with Champaign? Not a negro subject out of a hundred voters. But then, it makes no difference so they vote right.  
At the adjourned meeting of Council, held last evening, the contract for the improvement of Seino Street, from Brewer's Alley to the Corporation Line, was awarded to Mr. M. Mooney at \$1,450 per rod.  
The Kansas Democrat, the most outspoken, fearless, Democratic Sheet, that we have ever had, and see them at the first appearance on our table yesterday. It is published by M. & W. Bennett, Oswego Kansas.  
THERE are 22 Public Cisterns in Urbana, 3 of them are full of water, 18 of them has from 3 feet to 11 feet and one reported worthless. Wouldn't it be a healthy place for a fire. Why do not our City Authorities see that all the Cisterns are in good order and well filled.  
REMEMBER! The Band will appear in their new uniforms next Wednesday, at the first time. Go and see them at their Fair Ground in their handsome suits, and at the same time enjoy the pleasure of a good Old-fashioned Picnic, where the best of Music will be one of the grand features of the day.  
We all acknowledge the pleasure afforded in listening to the excellent music of Porter's Band, and we take pride in their appearance when on parade, so next Wednesday to the picnic, and aid them in paying for their new and beautiful uniforms, by paying 10 cts for admittance.  
Mr. Levi Genger's stable caught fire on Monday evening. The fire was extinguished before much damage was done. The fire originated from the carelessness of a girl in the employ of the adjoining family, who threw a showful of hot ashes against the side of the stable which forms the division line of the two properties.  
No Protection to Farmers.—There is no protection to farmers in the tariff laws of a Radical Congress. There are no imports on any foreign products that can compete with what he raises on his farm. He has to come into the market on the merits of his stock and sell it for what he can get. The manufacturer of iron, of woolen, or cottons is protected, but the farmer's products never figure in a tariff bill.  
**OMISSION AND CORRECTION.**  
By a mistake in our last issue, there was no inquiry made that little sum of 6 dollars and 50 cents in a little proceeding got up by the U. S. Graber, against Geo. Soller.—Any person having knowledge of that little case matter, and who got the money, will please make it known.  
The City Engineer is directing the people on Miami Street how to keep their side walks and replacing the pavement on a lower level.  
Some guardian of taste is setting people to work in destroying the grass along the streets, and so to increase the surface of heat, and increase the dust power.  
The new uniform for Porter's Band is being made by Powell, Purcell & Co., and the make up as well as the goods reflect, much to the credit of that firm. The coats are of best cadet grey cloth, made in dress coat style with epaulettes, twenty-four staff buttons, lapels lined with red cloth, sleeves trimmed with green silk cord, and backs also trimmed with red cloth; the pants are of red French cloth, with double gill cord on each side; caps gray with white plumes.
