THE APPROPRIATIONS.

these was returned twice.

Opposition and irresponsible journals have been industriously circulating reports that the state finances are in a deplorably bad condition and that greatly increased taxes are inevitable. Such is not the case. The aggregate of approby the Governor, who has examined the bills carefully, will not exceed \$1,700,000. The aggregate for the last two years was \$1.242.107 30, and in addition to that there was drawn from the sinking fund \$466,828 40, making a total for the past two years of \$1,708,935 70, or an excess of \$8,935 over the aggregate appropriations for the two years to come. The total

appropriations for the two years 1873 and 1874 were \$1,885,675. or an excess of Only seven bills and joint resolutions watch the trains and head off the rever- in any way affecting railroads succeeded
