Thanksgiving Proclamation.

Is accordance with a ballowed custom observeby the people of this State annually since its or guitation, and now honored by observance throughout the nat on, I hereby designate Thurs. day, the 28th day of the present month as a day of Thansigiving and praise to Almighty God for the and happiness that we have enjoyed, for a bountitul harvest, and for the manifold blessings that have enfed to us during the present year. To this end I muste all our people on the day degnated to rest from their ordinary avocations, and with devoat gratitude, to neknowledge the loving kladness and great goodness of our Heavenly Fathwe thus joy in in our blessings let us not forget by of hers less favored than ourselves.

State, at the City of Lansing, the elev- by steambout was about as safe as any. enth day of November, in tre year of ILS 1 our Lord one thou sand eight hundred and seventy-eight, and of the Independ-

Chebovean County.

The following in regard to Cheboygan county, we find in the first number of the Michigan Homestead; "By reason of its great natural resources and its commanding commercial position, Cheboygan is destined to become one of the first counties of the State. Its harbors lie invitinly near to the thoroughfare of the lakes, while its wonderful chain of inland waters with their actual and destroyer. "Expelied 400 worms from of inland waters with their actual and Notwithstanding the wretched con- is rolling and the soil generally a sandy Prop'rs, Pittsburgh, Pa. Send for circu loam mixed with clay. The sand of this toskey, the mail continues to arrive in region, says State Geologist Winchell, in one of his reports, is derived from cal- co. careous rock and not from sandstone. tor from this district, was a candidate The most sandy soils, therefore, possess the lime with which the soil is saturated, and must continue to be supplied as the cale reous pebbles undergo a slow decomposition. The strength of the soil in the sandy regions as well as in the now must be considerably north of Che- others is demonstrated by the growth of sugar maple, beech, elm and basswood advertised: timber with the country is covered. Set-tlements have existed for a long time in the northern part of the county and along the shores of Burt's and Mullett's propose giving an en'ertainment during the northern part of the county and fund. Due notice of time, place and lakes, but within the last few years the tide of immigration has set in that circction, and the wild lands are being taken up rapidly all over the county,

Reception to H. G. Horr.

An informal reception was tendered ise Hon, R. G. Horr, Congressman elect from district, and estimable wife last Monday evening by their numerous

friends in East Saginaw. The Herald says: "The affair was goten up by a tew of the gentleman's personal friends, and was what it was intended to be, purely informal-no dress or kid glove affair, everybody going for old. the express purpose of enjoying themselves and having a good time. To enumerate all in attendance would take too much space, so we refrain; suffice to say that upward of 150 participated in the festivities of the occasion. About ten o'clock a supper, consisting of coffee cake, sandwiches, etc., was served, of which the guests partook with a hearty zest, after which they sought to amus, themselves in a manner to suit each other, scattering all over the spacious mansion. In one corner you could find a group engaged in conversation on on the current topics of the day, in another were number enjoying themselves by playing on a place and with vocal music whilst up stairs a lorge room was cleared and the young folks, and here and there some of the old folks, tripped the light Next Thursday is the day appoir ted by fantastic toe. Take it all in all it was one
