

A vessel off Paris reports falling in with a mass of spiders floating in the air. The rigging and sails were covered with the web, the long threads of which formed the balloon for the tiny aeronauts. For several miles this spider swarm continued, the captain estimating that there were millions blown from land.

The Van Buren County Poorhouse, situated two and one-half miles east of Hartford, was burned to the ground April 30. Fifteen paupers were burned to death, and many others narrowly escaped with their lives. The cause of the fire is unknown. It originated in the inmates, sitting-room on the first floor and when discovered was beyond control.

An Editors Tribute.

Theron P. Keator, Editor of Ft. Wayne Ind. "Gazette," writes: "For the past five years have always used Dr. King's New Discovery, for coughs of the most severe character, as well as those of a milder type. It never fails to effect a speedy cure. My friends to whom I have recommended it speak of it in the same high terms. Having been cured by it of every cough I have had for five years, I consider it the only reliable and sure cure for Coughs, Colds, etc." Call at I. S. Cooper's Drug Store and get a Free Trial Bottle.
