ORDINANCE.

An Ordinance relative to Sentencing Offenders and for Keeping Them at Labor.

The Village of Cheboygan Ordains:

Section 1. When any person shall be convicted before a Court of competent jurisdiction, upon a trial for a violation of the provisions of any of the ordinances or by-laws of this village, and sentence of imprisonment shall be adjudged, for non-payment of a fine or otherwise, the court before whom such conviction shall be had may, and in case of a second or subsequent conviction for the same offence shall, make a further sentence that the person so convicted shall be kept at hard labor during such imprisonment.

Sec 2. Whenever any person shall be sentenced to be kept at hard labor under the provisions of the preceding section, and who shall be capable of performing such labor, it shall be the duty of the Marshal of the village to see that such person is kept at hard labor during the term of his imprisonment so far and to such an extent as is practicable, either within or without the place of his confinement.

Sec. 3. The Marshal shall cause all persons sentenced to be kept at hard labor, and who shall be capable of performing such labor, to be employed upon any of the public avenues, streets, alleys or other works of the village, whenever it shall be practicable in the judgment of the Marshal to cause them to be so employed; and whenever in his judgment it shall be impracticable to cause such persons to be employed on the public avenues, streets, alleys or other works of the village, then the Marshal shall cause such persons to be employed at such other work as he can procure for their employment, upon such terms as may be agreed upon between the Marshal and the person under whose direction the offender shall be placed.

Sec. 4. Whenever any person shall be put at labor outside the place of his confinement under the provisions of this ordinance, the Marshal shall take such precaution, and adopt such means as he may deem necessary to prevent the escape of such person.

Sec. 5. Whenever the Street Commissioner of the village shall be employed in work upon the public avenues, streets

and alleys of the village, the Marshal may put into his custody, charge and care, any person or persons sentenced to hard labor under the provisions of this ordinance, and it shall be the duty of the Street Commissioner in such case, to receive such person or persons and cause them to perform such work and labor as they may be capable of doing. And the Street Commissioner of the village is hereby authorized, empowered and required to restrain and prevent any such persons from escaping, and to safely keep all such persons and surrender them to the Marshal, when the Marshal shall require.

Sec. 6. Whenever any person shall be sentenced to imprisonment for non-payment of fine and costs, or either, and shall be employed at hard labor, pursuant to the provisions of this ordinance, he shall be allowed such sum as the Marshal may be able to obtain for his labor, less the cost of his support, and in case such person shall be employed upon work for the village, then he shall be allowed such sum as the Street Commissioner or other person in charge of such work for the village, shall determine his services are worth, less the costs of his support, and when he shall have earned the amount of such fine and costs, including the cost of his support, he shall be discharged.

Sec. 7. This ordinance shall take effect on the 2d. day of June, 1884.

Adopted May, 6th, 1884.
