

NORTHERN TRIBUNE

THURSDAY, JUNE 26, 1884

J. E. Nichols, left to-day for Chicago.
E. Nelson, returned from Chicago, Saturday.

The heavy rain on the Fourth of July prevented the farmers coming into town to celebrate.

Mrs. C. Nelson starts Monday for Oconomowoc, to visit her daughter Mrs. W. W. Strohn, from Oconomowoc. Mrs. Nelson will visit several principal cities during the summer.

The Fancy Dress party to be given at the Rink next Thursday evening, promises to surpass anything of the kind witnessed at Cheboygan. The costumes, music, attendance and jollity of the occasion will be immense.

To any man with an intelligent conception of men and measures, the effort of the Cheboygan Democrat to throw mud at Blaine and Logan sounds ridiculous. Fortunately for the country such idiotic narrowness helps rather than hinders respectable candidates. To make Blaine election sure, it is only necessary to interest a few more such sheets as the Democrat against him.

At the Council Rooms next Thursday evening, the Cheboygan Blaine and Logan Club will hold a meeting, when an interesting program will be forth coming to Republicans. This Club will do good services during the campaign and every Republican here should become identified with it at once, so as to do his part of efficient work for correct principles.

The tug Wilson on Indian River excursion trip last Friday got stuck on a sand bar one mile from port. After strenuous efforts to release herself without avail, the excursionists collapsed into a murmur of disappointed fantastic exclamations. With Bob Richmond bass and Sed Rancier alto, they awoke the navigators of the Indian burg who immediately rallied to the risk and canoed the party to the halls of pleasure which they pleased in till the small hours.

The Democratic National convention assembled at Chicago to place in nomination a man for the Presidency and Vice Presidency began its work on Tuesday. The attendance, spirit, and work done up to the present, is creditable to the organization and if the conclusion is in harmony with the beginning, Democracy will have nothing to be ashamed of so far, as its convention is concerned. It is useless to conjecture the outcome as there are diverse elements ably generated in antagonism. What would be the wisest action to take is difficult to tell; what action will be taken is impossible to tell now, but signs indicate that the party will do the best it can under the circumstances.

Blaine and Logan Club.

At a Republican political meeting held in the Council chambers Monday evening June 30th, it was deemed expedient to form a Blaine and Logan club for the furtherance of Republican principles, and for the general aiding of the party in this county during the ensuing campaign. Accordingly a meeting was called for Monday evening, July 7, at the same room. At this meeting there was a good attendance notwithstanding the existence of counter attractions, and the following named officers elected:

President—Geo. W. Bell.
1st Vice President—George Wharton.
2nd Vice President—J. C. Wooster.
Treasurer—A. W. Westgate.
Recording Sec'y.—Geo. E. Frost.
Corresponding Sec'y.—E. Z. Perkins.
The following persons were appointed as Executive Committee:
H. A. Blake, Chas. Schley, H. W. McArthur, Frank Shepherd, Chas. Kreiderman, Chas. Duffin, John E. Clark, David Quav, Frank Osier.

The service at St. James Church next Sunday morning will be of universal and somewhat peculiar interest.

A set of beautifully embroidered, Altar, Lecture and Desk hangings, to be used on the higher festivals of the Church, and offered in loving memory of the Rev. James H. Magaffin, the late Rector of the Parish, will be received by the present Rector with appropriate ceremony and remarks.

The Rev. Mr. Magaffin during his brief Rectorship, won very largely on the affection and respect of our whole community, and any act in honor of his memory, will, we are very sure, be received with hearty approval.

The Steamer Pearl, will give an excursion to Mackinac Island and St. Ignace, Sunday, July 12th, leaving at 5 p. m. from W. & A. McArthur's Dock where tickets can be purchased for 75cts for round trip.

An End to Bone Cramping.

Edward Shepherd of Harrisburg, Ill., says: "having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years! Doctors told me I would have the bone scraped or leg amputated. I used instead, three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and my leg is now sound and well."

You will be surprised to see the rapid improvement that will follow; you will be inspired with new life; strength and activity will return; pain and misery will cease, and henceforth you will rejoice in the praise of Electric Bitters. Sold at fifty cents a bottle by I. S. Cooper.

A GREAT DISCOVERY.

Mr. Wm. Thomas, of Newton, Ind., says: "My wife has been seriously affected with a cough for twenty-five years, and this spring more severely than ever before. She had used many remedies without relief, and being urged to try Dr. King's New Discovery, did so, with most gratifying results. The first bottle relieved her very much, and the second bottle has absolutely cured her. She not had so good health for thirty years."

Trial Bottles Free at I. S. Cooper's Drug Store. Large size \$1.00.

Why they Call Him "Old Man."

"Yes, that's sadly so," said Jenkins, my hair is turning gray and falling out before its time. Use something? I would, but most hair restorers are dangerous." "True," answered his friend, "but Parker's Hair Balsam is as harmless as it is effective. I've tried it and know. Give the Balsam a show and the boys will soon stop calling you 'Old Man Jenkins.'" It never fails to restore the original color to gray or faded hair. Richly perfumed, an elegant dressing.
