SELECT KNIGHTS.

Organization of Cheboygan Legion No. 3 S. K., A. O. U. W.

Among the many mutual societies organized during the past few years none have been more cordially received than the Ancient Order of United Workmen. It had its beginning at Meadvillo Pa., some seven teen years ago and from that time until the present the history of the order has been enward and upward and now its membership extends to every state in the Union. A short time age to further increase the usefulness of the order and enable members to secure additional insurance a higher branch was organized known as Select Knights and it promises to become as popular as the parent organization.

CHEBOYGAN LEGION NO. 3. S. K. On Saturday evening last the above legion was successfully instituted by Deputy Grand Commander E. P. Haven, of Chicago, and although the notice of the meeting was only a few hours some eighteen Master Workmen were in waiting to be knighted and royally was it done. The following are the officers

Select Commander—G. G. Wharton. Vice Commander—W. G. Boggs. Lieutenant Commander—Dan. P. Mc

Recorder—Geo. N. Case.
Treasurer—J. P. Sutton.
Recording Treasurer—N. W. Lyons.
Standard Bearer—Geo. Starr.
Senior Workman—Alex. Gero.
Junior Workman—W. W. Smith.

The Legion starts out under the most favorable auspices and already several applications for membership have been received and by July 1st they hope to be able to turn out fifty swords.

Temple Lodge Observes the 66th Anniversary.

April 26th, the 66th anniversary of the establishment of the first Oddfellows lodge in America occurring on Sunday the Lodge departed from their usual form of celebration by holding religious exercises at the Town Hall.

At 3 o'clock p. m. the Hail was comfortably filled with citizens and the for Cheboygan next Monday. members of the Order, to the number of about fifty, clothed in their new and showy regalia, formed in procession at the Lodge room and proceeding to the hall, and after prayer and appropriate music were addressed by the Rev. R. M.

To those who know Mr. Thompson we need not remark that the lecture was eloquent and full of information and interest to others as well as to members of the order. The choir consisting of Mr. Lent, Mrs. Rollo and Miss Paddock, assisted by Miss Clover by their skillful rendition of several anthems added much to the enjoyment of the occasion.

rand Longe of the United States. the lodges have a revenue exceeding five million dollars, a greater part of which is expended in deectly carrying out the fundamental principles of the Order. viz to visit the sick, relieve the distressed. bury the dead and educate the orphans. The Sovereign Grand Lodge has the more immediate jurisdiction over the grand lodges of the United States and Canada, at the same time having a certain authority over grand and supreme grand lodges in Europe, Australia, and South America. The various English Orders of Oddfellows do not spread much beyond the British Islands.

The younger members of the Lodge and some of the older ones with their friends enjoyed themselves exceedingly at a hop at the Lodge Room on Monday night. The floor was somewhat crowded to accommodate the many dancers but all were good natured and everything passed off as merrily as a marriage bell.

To the Public.

Hebron, April 10, 1885.

Charles Hamman, of the township of Hebron, pursued the same course this year that he did last to secure his election as supervisor of the township by unjustive slandering and foully misrepresenting the opposing candidate. I am old and a little faded, but I have the same blood coursing in my veins I had when I was first on earth and rough shod, which is a cross between a State of Mainer, Frenchman and a bear, and I thinkgif I was hard pushed I could color the optics of a cewardly sneak a nice shade to take in a partial eclipse of the sun.
