

ANOTHER NEW STATE.—By the treaty with the See-see-tran and Wah-pay-toan bands of Sioux Indians, the United States obtain over 21 millions of acres, lying east of a line drawn from the head waters of the Red River of the north, to intersect the north-western corner of the State of Iowa. The purchase includes part of the magnificent Blue Earth River country, and that around the head waters of the Des Moines and St. Peters Rivers. The Indians are allowed to remain on the land two years. For thiscession they are to receive \$1,665,000.—The Galena papers propose that the name Dakota, be given to the new territory, and such may yet be the name of one of the States of the Union. [Det. Advertiser.]

Hon. Seth E. Still, one of the Judges of the Supreme Court of New York, died at Buffalo, on Wednesday, after a sickness of three days.

It is confidently asserted that the Prince de Joinville has officially declared his intention to compete for the Presidency, in France.

It should not be forgotten, that frivolity is no less inimical to good feeling than to intellect.
