

A full attendance of the members of Ottawa Lodge, No. 48, I. O. O. F., is requested this evening (Wednesday), at the Lodge Room, as important business is pending. By order of the N. G.

DIED.

In Grand Haven, on the 13th inst., ASA A. SCOTT, Sheriff of Ottawa county, aged 34 years.

Mr. SCOTT had been twice elected to the highest Executive office in his county, and was one of its most peaceable and virtuous citizens; he probably gave as little offence and was the subject of as few (if any) disparaging remarks as any other man in his position in society. He was not only a good citizen, but was also a steadfast and consistent Christian; for about 12 years previous to his death, he was an acceptable and exemplary member of the Methodist Episcopal Church, most of the time occupying official stations and was a Steward at the time of his death. As a husband and father, he was mild, affectionate and attentive to every want, during long continued seasons of domestic affliction his patience failed not, his vigilance ceased not; in his domestic relations those who knew him best esteemed him most. His death was as might have been expected from his life, resigned, peaceful, triumphant. Though for a man of 34 to lie down to die, leaving a wife in delicate health and 4 children without a guide and with but inadequate support, and an extensive connection with public business, to be settled by those who could not have a perfect knowledge of those matters; even a consciousness of having walked in his integrity would not entirely dissipate feeling of solicitude and apparent uneasiness which he exhibited during the first part of his sickness, but as he drew near his end grace triumphed over nature and he became entirely resigned to the Will of God. The last scene with his family, his affectionate leave of his wife, his dying counsels to her and his children, and his pious invocations of the blessings of heaven upon them and all present, was said by an eye witness to be "the most solemn and affecting that he ever beheld, and enough to melt the hardest heart." "Let me die the death of the Righteous, and let my last end be like his." His funeral sermon was preached by Rev. Wm. C. COMFORT, from Rev. xiv, 13, "Blessed are the dead who die in the Lord from henceforth: yea saith the Spirit they rest from their labors and their works do follow them." Grand Haven, Dec. 20th 1853. [Com.]

Medical Electricity.

Radway's Ready Relief imparts an electrical influence through the system. Its first indication is to stop pain—this it does instantly. It next acts vigorously upon the diseased parts, strengthening and invigorating the nerves and muscles, and helping the organs of the system to perform their functions regularly and healthfully. It braces the nerves, it cleanses the secretions, it vivifies and enlivens the circulation of the vital fluids, and gives tone and energy to the liver, kidneys, and all other organs in the system.

It soothes the most painful irritations, it removes the most frightful swellings and distortions, it relieves the most violent paroxysms, and cures the most obstinate and tormenting pains of rheumatism, gout, neuralgia, sick headache, dyspepsia, dysentery, diarrhoea, and all chronic acute pains. One trial will prove its efficacy. Price 25 and 50 cents.

RADWAY & CO'S NEW REMEDY.

For the cure of scrofula, nodes, white swelling, caries of the bones, syphilis, &c. It is daily performing miracles in curing the sick and ridding the system of diseases. The new medicine is called Radway's Renovating Resolvent. Price of the Resolvent, \$1.

No medicine ever offered in the West, met with the success that has attended the sale of Perry Davis' Pain Killer. This remarkable remedy has attracted the attention of counterfeiters, and a spurious article is now in this market, got up for a mere swindle. See advertisement.

Radway's Ready Remedies.

RADWAY'S READY RELIEF. RADWAY'S RENOVATING RESOLVENT. RADWAY'S READY REGULATORS.

The use of which will in all cases instantly stop pain, quickly cure diseases and all ways prevent sickness.

RADWAY'S READY RELIEF, internal and external, the moment it is applied it will relieve the sufferer from the most torturing pain.

ITS TWO ACTIONS.—Its Primary action is to allay Pain—to neutralize the effects of a diseased action—for if there was no cause there would be no effects, no diseased deposits or unhealthy irritations, there would be no pain.

Its secondary action is to remove the cause itself and to relieve the system from all foreign matters, and entirely cure all complaints herein enumerated.

EXTERNAL PAINS—The moment it is applied externally, it stops all pain.
