**EAR AND EYE.**  
**DRS. LeBRUNN & DUFTON,**  
**Oculists and Aurists,**

**Deafness and Ear diseases radically cured.**  
DR. LeBRUNN offers to those suffering from  
Deafness, his *Invaluable Aural Remedies*,  
which have been successful in nearly 3,000 cases of  
confirmed deafness. These remedies comprise  
different courses for diseases of the internal, middle  
and external ear, and have been pronounced by  
those celebrated Aurists, Drs. Cramer, of Berlin,  
Hart, and Deland of Paris, Curtis, Pilcher and  
Yeats, of London, as being the most wonderful  
and effectual ever applied for diseases of the internal  
or middle ear. Dr. LeL. *Warranted a Cure*, in  
every case where the ear is perfect in formation.  
He has eighteen certificates of cures from those  
who had been *Deaf and Dumb*, and whose hearing is  
now completely restored and are now enabled to  
learn the language. The names of 2,700 persons  
who have been cured by Dr. LeL. may be seen on  
application. Patients, by sending a description of  
the case, can have remedies sent to any part of  
the United States.

In case of mucus accumulations in the Eustachian  
Tube and Tympanum, inflammation of the  
mucus membrane, nervous affections, diseases of  
the membrane tympani, called the "drum," or  
when the disease can be traced to the effects of  
fevers or colds, the use of quinine or mercurial  
medicines, gatherings in the ears in childhood,  
etc., this treatment stands prominent. When the  
auditory is dry and scaly, with little or no secre-  
tion; when the deafness is accompanied with  
noise in the ear, like falling water, chirping of in-  
sects, ringing of bells, rustling of leaves, contin-  
ual pulsations, and discharge of matter, or when in  
stooping, a sensation is felt as if a rush of blood  
to the head had taken place; when the hearing is  
less acute in dull, cloudy weather, or when a cold  
has been taken, this method of treating the dis-  
ease is infallible.

Dr. Dufton is the only Oculist in the United  
States who practices the new, painless and suc-  
cessful method in treating all the diseases to which  
the eye is subject. Where every other means have  
failed to afford relief, he asks from such a fair and  
impartial trial.

**TESTIMONY.**—The undersigned practitioners in  
medicine in the city of New York, having had fre-  
quent occasion to witness the practice of Drs. Le-  
Brunn and Dufton, in diseases of the Ear and Eye,  
laying aside all professional jealousy, freely admit  
that the cure pursued by them in treating dis-  
eases of these delicate organs, from the *unparalleled*  
*success attending it*, is well worth the attention of  
our professional brethren throughout the United  
States, feeling assured, as we do, that Aural Sur-  
gery has not met with that attention which its im-  
portance demands. Their system of treating dis-  
eases of the middle and internal Ear, by "*Medi-*  
*cated Vapors*," particularly in chronic or compli-  
cated cases, forms a new era in the practice of Au-  
ral Surgery; such cases yielding in almost every  
instance, to this new and powerful agent. This  
practice fills up a void which has long been felt by  
the general practitioner, enabling him to cope,  
successfully, with every case where perfect forma-  
tion exists.

In diseases of the Eye, they seldom require to  
resort to an operation.  
As skillful Aurists and Oculists, enthusiastically  
devoted to their profession, we cordially recom-  
mend to such as may require their aid,  
Alex. K. Mott, M. D., Horace Winslow, M. D.,  
A. B. Francis, M. D., B. Y. Doremus, M. D.,  
Geo. S. Green, M. D., C. C. Delpane, M. D.,  
T. V. Van Buren, M. D.  
Signed, August 7, 1849, New York.

branch of medical science, will find an opportunity
