Capt. John C. Smith, the popular conductor on the Valley Branch of B. & O. R. R. has been appointed agent of the B. & O. Express at Staunton.

GOLD, GOLD, GOLD.—The good old times have come again. M. GEARY will pay out gold in change, next Monday, May 13th, Court day.

PRAYER MEETING.—The prayer meeting of the Y. M. C. A. will be held in the rooms of the Association, on Saturday evening, instead of Sunday afternoon, hereafter.

TEAS.—Just received a large lot of tea. I will sell good Japan tea at 62 cents per lb., and no 1 Black tea for 75 cents per lb.

EARLY.—We have been shown a new potato, from the garden of Mr. Reuben Allen, large enough for the table. If any of our friends can beat it, they will please send us a mess.

YARD PARTY.—The ladies will give a yard party, for the purpose of purchasing a flag for the Anderson Guards on next Monday night. A cordial invitation is extended to the public.

ACCIDENT.—Mr. P. Brubeck, of this place, cut his arm, while peeling bark. The wound is not of a serious character, and Philip is doing well.

COURT DAY.—Next Monday will be court day. We will be much pleased to see many of our subscribers who may desire to pay the small amounts due us. We shall certainly appreciate the favor as we are in need of these little amounts. Please do not forget us.

TOWN ELECTION.—Remember that the election for town officers will take place on the 4th Thursday in May. Parties who have not registered may do so by applying at once at the office of P. W. Magnus.

ATTEMPTED SUICIDE.—One of our neighboring towns was considerably startled, a few days ago, by the attempted suicide of one of its lady residents.—She made three attempts to sever the jugular vein but not succeeding she desisted, and still lives.

NEW GOODS.—If you want to see well selected stock of New Goods, call at the store of H. Logan & Co., next Monday, where you will find a new stock just opened and for sale at the lowest prices.

DEATH OF ANDREW DYER, Esq.—We regret to learn of the death of Andrew Dyer, Esq., Clerk of both Circuit and Superior Courts of Pendleton county, W. Va. He died very suddenly in his native county on Sunday last, in the 43d or 44th year of his age. He had been a faithful confederate soldier, and was very popular wherever known.—Book Top.

FARMING IMPLEMENTS.—Parties desiring to purchase agricultural implements, such as Reapers, Mowers, Rakes, Drills, &c., should read the advertisement of J. P. Lonas who is prepared to furnish machines that are warranted to give satisfaction. He has just received one of the largest stocks of Dry Goods, Groceries, &c., that can be found in the Valley. Call and examine his stock.

The Clarke Courier says: "During the thunderstorm of last Wednesday night, Mr. Chas. T. Jones, of Long Marsh district, lost eleven sheep and lambs by lightning. Ten of the sheep and the lambs were instantly killed, and were found lying in a space of nine steps; the other sheep received injuries from which it has since died.

GAME.—The season for killing deer has closed. Fish can only be caught with hook and line and after next Wednesday until the first of July, it will be unlawful to catch bass, but not withstanding these things Sam. Clower has gone to Baltimore to purchase a full supply of fish hooks as well as a general variety of Spring and Summer Goods which he will sell as low as the lowest.

LAND SALES IN VIRGINIA.—The following sales of land in Warren county, Va., were made last week: 123 acres, near Bentonsville, to R. A. Finnell at \$12.50 per acre; 300 acres on Dickey's Hill, to Lemuel Fox, \$6.10 per acre; 258 acres, three miles south of Freet Royal, on the Luray grade, to Wm. Scroggin \$11.01 per acre; 123 acres, near Buckton, to Benj. F. and John W. Cooley, \$3 per acre.

DAVID E. FORTZ, BALTIMORE, MD. DEAR SIR:—Your Shriver's Indian Vermifuge is ready sale with us. Our customers say it destroys and expels worms effectually. We have sold all we had. Send us another supply at once and oblige, Carmichael & DeVault, Asheville, N. C. Sold by J. S. Irwin & Son.

All of them have used Dr. Bull's Blood Mixture. Who? Those who heretofore suffered with Boils and Pimples, but who are free from such annoyances,

ARRESTED.—Mr. Joseph Rhodes and his son Milton Rhodes, both respectable citizens of this county, and gentlemen of high social and business standing were arrested and taken to Harrisonburg, last Monday upon the charge of violating the Internal Revenue laws of the United States. Mr. Joseph Rhodes and his son-in-law were doing business under the firm name of Joseph Rhodes & Co. After the death of his son-in-law, he received his son into partnership and the firm name was changed to Joseph Rhodes & Son.—Having paid their license for the year they supposed that the new firm could use the same license, and they did sell tobacco under that license until one of the firm saw the deputy collector and stated the case to him. The collector informed him that it was necessary for him to take out a new license from the date of the new partnership and pay 50 per cent additional, which was done and the matter was supposed to be ended, until last Saturday when a deputy Marshall made his appearance and arrested them. It is very evident that the whole matter is gotten up in order to make fees for officers. A mere statement of the case will, we have no doubt, be sufficient to acquit the parties of all criminality. Laws, both State and Federal, are made for the protection of citizens and not for their persecution. This affair upon investigation, will we have no doubt, be found to be nothing less than an outrage for which the perpetrators should be held responsible. It may be very desirable to United States officers to make their fees, but let them do it legitimately and not by persecuting the innocent. When they abuse their offices by engaging in such petty prosecutions, they should be held responsible for their conduct and their places filled by better men.

COL. ROBT. BEVELLY, PRESIDENT OF THE LATE VIRGINIA TELEGRAPH CO.—To satisfy myself and other stockholders of the Virginia Telegraph Company, will you be kind enough to answer a few questions as to the management of the corporation known as the Virginia Telegraph Company, of which you were president, of which you were president. How much money was paid by stockholders? How much was realized by the last sale to the Western Union Company? How much was paid to stockholders in dividends? What was done with the proceeds of sale? How much of it is payable to stockholders? Is it true that the affairs of the company were so managed, that not one cent of profits or of the proceeds of sale was payable to the stockholders who paid for the building of the line? Who made the sale to the Western Union Co., and by what authority? Answer to these questions, through the columns of the Shenandoah Herald will oblige a number of stockholders. A STOCKHOLDER.

DOG-GONE-IT! If Ambrose Henkle of the Valley, didn't let dog post off to Baltimore to attend a dog show to select a pet for our brother of the Woodstock Herald. We have not heard what kind of a cur he selected, but hope to see the breed duly announced.—Rockingham Register.

When we glanced over the catalogue of live, and ten thousand dollar dogs on exhibition, it made us feel rich, for we knew if the Editor of the Valley was going to make us a present it would be one of the best. But he "goes back" on us and says it was only a dog-gone tale of Decherts.

CHANGE OF FIRM.—The Old Commonwealth heretofore owned and conducted by Mr. C. H. Vandorf has been sold to Messrs J. K. Smith and P. B. Dulaney. Mr. Smith is one of the natural born newspaper men. He is as much at home in a newspaper office as a duck is in a pond of water. He is a good writer, a number one printer and possesses all the elements necessary to make up a first class newspaper man.—Mr. Dulaney is said to be a writer of marked ability, and we have no doubt the Commonwealth under their management will continue to take rank among the best papers of the State.

BELLIGERENT.—The colored preacher Daniel Chargo, alias J. C. Wheeler who is to be tried at the coming term of our County Court upon the charge of bigamy, attempted to make an assault upon Mr. Houshour, the jailor, on last Saturday night. Mr. H., suspecting that something was wrong visited the cell in which Wheeler was confined about 10 P. M. Upon examination he found that the negro had cut his hooves and had concealed under his long coat a slung shot made of a brick bat fastened in the leg of a pair of drawers. Finding that his rascality was discovered he attempted to draw the slung shot, but a well directed blow with a large jail-key settled him and he was securely chained. He is a desperado of the worst character, and had Mr. Houshour killed him, he would have done the Commonwealth good service.

RESUMPTION OF SPICE PAYMENTS.—The excitement about resumption has subsided, and gold is now passed freely over the counters of banks and business houses. All who desire to get rid of their greenbacks and weighty silver will soon have the opportunity, for P. J. Fravel is now in Baltimore purchasing a stock of goods which he will sell at low prices and for which he will receive greenbacks at the same rates as gold.

Mr. Samuel G. Stephenson, of this place, after a protracted visit to Edinburg, is again at home. The improved appearance of his house cheered his returning footsteps. Some of his friends manifest considerable interest in the improvement of his property, and have suggested one great improvement which will make the inside correspond with the outside appearance and will add beauty, light and sunshine to every corner of the old homestead. We are not prepared to say whether their suggestion will be adopted, but every time the subject is mentioned, a new light beams forth from his eyes and a pleasant smile plays over his countenance.

We all have our preferences; but no one prefers to hear a crying baby when the fact is to well known that Dr. Bull's Baby Syrup would at once quiet it.

NOTICE TO CREDITORS.—Persons having claims against the estate of James N. Swann dead will expedite a settlement of the same by giving statements to me, or to J. J. Stoneburner at Edinburg.

H. H. RIDDLERBERGER, Administrator, April, 30th 1878.

FOURTH OF JULY.—The citizens of Edinburg have determined to unveil the beautiful statue which is to be placed in their new cemetery, on the 4th of July and for this purpose held a meeting on Saturday last and appointed all the necessary committees to perfect arrangements.

It is designed to have an able orator of reputation, whose name will appear within a few weeks; and also to invite the military organizations and all the orders of the surrounding Counties, with several bands of music, and to arrange if practicable with the Railroad Company for round trip tickets, of which due notice will be given by hand bills or otherwise.

The Statue is a life size figure representing Hope, cut from the finest Italian Marble and by a celebrated artist. It was sent from Italy to New York and there purchased by several liberal gentlemen from the Edinburg Cemetery. The citizens there in a spirit of just appreciation are erecting a column of solid masonry 14 feet high upon which to place the statue, and when the whole is finished it will be one of the handsomest pieces of workmanship and art to be seen in the Valley.

It is the design of the several committees having the matter in charge to have the largest collection of people and the grandest procession that has been in this section for many days. If possible, arrangements will also be made for Sunday Schools in the procession.

COMMEMORATION WEEK.—Commencement week at the Polytechnic Institute, New Market, Va., has always been a source of pleasure and interest to our people as well as to the numerous visitors who attend the exercises. This year it will be of unusual interest.

The programme is as follows: Eighth Anniversary of the Lee Literary Society, Geo. W. Schuman, President; Tuesday night, May 28, E. O. Henkel and Clarence H. Urner, Debaters; Wednesday night, May 29, Wm. Ewing, Orator; Robert J. Walker, Valedictorian; Thursday night, May 30, Address before the Society by His Excellency, Gov. F. W. M. Holliday; and also exercises by Faculty and Trustees of Institute.

Friday Night, May 30, Fourth Annual of the Polytechnic Institute Alumni Association, Chas. E. Graves, President, Ambrose I. Henkel, Orator, Valley.

REMOVAL.—Our well known citizen, Mr. John H. Fry has removed from this place and has taken up his residence near Timbersville, Rockingham county. His friends desiring to communicate with him will address him at Timbersville. He had been active in business for a number of years and is well known in this section of the county. By his extensive dealing in cattle, hogs, sheep, fowls of all kinds, lemons, cakes, &c. he had formed the acquaintance of many of our farmers and business men. It will be a long time before many of them lose their remembrance of Jack.

RELIGIOUS NOTICE.—The Lord's Supper will be administered at St. John's Chapel on the 2nd Sunday of May; at Woodstock on the 3d Sunday of May, services commencing on Saturday morning previous; at Calvary on the 4th Sunday, services commencing on Saturday morning. All the members of Mt. Calvary congregation are requested to be present on Saturday morning as business of importance claims their attention. G. H. MARTIN.

HARD.—Our old fishermen complain that this is an unusually hard season upon their business. The bass have not put in an appearance and the yellow suckers have stopped biting. The dam which caused so much serious complaint, we are informed, has been or is about being fixed so that fish can pass up the stream without difficulty. Cats and eels are now in order.

Accident.—Mrs. David Spiker, Miss Clara Spiker and Miss Lizzie Saum met with an accident near Edinburg, a few days ago. In going up the hill this side of town, the horse was urged forward and increased his speed so suddenly that Mrs. Spiker was thrown from the rear of the wagon. She was severely hurt. Dr. A. Belver rendered surgical attention and after a few hours she was restored to consciousness.

We learn that the young ladies soliciting contributions for the military company met with many warm receptions, and in one instance it was not necessary to mention any thing more than the name of the company and immediately a graceful alms was in order. This committee of young ladies desire to have it generally understood that they offer themselves as a standing committee for like purposes.

NORMAL SCHOOL.—Messrs. W. W. Logan and R. D. Haislip will conduct a Normal School, in this place, beginning July 15th 1878. These gentlemen are successful teachers of experience. The school conducted by Mr. Logan last summer was a success. A number of the students that attended last year have made application for admission to the school to be opened on the 15th of July. See advertisement in another column.

THE ANTECEDENTS OF DISEASE.—Among the antecedents of disease are increases in the circulation of the blood, an unusually attenuated condition of the physique, indicating that the life current is deficient in nutritive properties, a weak, lagged look, inability to digest food, loss of appetite, sleep and strength, and a sensation of unnatural languor. All these may be regarded as among the indices of approaching disease, which is usually attacked by physicians and analyzed to be pure as well as effective, which is immensely popular in this country, and is extensively used abroad, and which has been for years past one of the leading medical staples of America.

NOTICE TO CREDITORS.—Persons having claims against the estate of James N. Swann dead will expedite a settlement of the same by giving statements to me, or to J. J. Stoneburner at Edinburg.

Local Notices. Don't forget that Dr. D. D. CARTER has removed his Drug Store to the Trout Store Room opposite Welsh's Hotel, give him a call. Satisfaction Guaranteed. May, 8th 6m.

"TRIAL BOTTLES 25 CENTS."—In order that all may test the great virtues of Dr. Swayne's Compound Syrup of Wild Cherry we have issued trial bottles at 25 cents. No family should be without this valuable medicine, as oftentimes a single 25 cent bottle will cure a recent cough or cold, and thus prevent much suffering and risk. It also cures asthma, bronchitis, liver complaint, and enriches and purifies the blood, giving tone and strength to the entire system.

ASTHMA AND DISTRESSING COUGH CURED. My mother was a great sufferer from asthma; could not sleep; her symptoms became very alarming; short breath, pains and oppression, Dr. Swayne's Compound Syrup of Wild Cherry gave her immediate relief, and in a short time restored her to good health. H. MEYER, Grocer, 17th and Carpenter sts., Philadelphia.

Price: Trial bottles, 25 cts.; a large size \$1, or six for \$5. A single 25 cent bottle will often-times cure a recent cough or cold, and thus prevent much risk and suffering. Sold by Dr. D. D. CARTER, Woodstock.

A REMARKABLE RESULT.—It makes no difference how many Physicians, or how much medicine you have tried, it is now an established fact that German Syrup is the only remedy which has given complete satisfaction in severe cases of Lung Diseases. It is true there are yet thousands of persons who are predisposed to Throat and Lung Affections, Consumption, Hemorrhages, Asthma, Severe Colds settled on the Breast, Pneumonia, Whooping Cough, &c., who have no personal knowledge of Boche's German Syrup. To such we would say that 50,000 dozen were sold last year without one complaint. Consumption try just one bottle. Regularly 75 cents. Sold by all Druggists in America. For Sale by Dr. D. D. CARTER & B. SCHMITT, Woodstock, Va.

SCRATCH SO MORE.—"ITCHING PILES," symptoms of which are moisture, like perspiration, intense itching, particularly when undressing or after getting warm in bed, increase by sweating, might think pin worms were crawling in and about the rectum, oftentimes shows itself around the private parts. A pleasant and safe cure in every case is "Swayne's Ointment." It allowed to continue, very serious results may follow. It also cures tetter, barbers' itch, scald head, ring worm, blotches, all scaly, scurvy, itchy skin eruptions. Sent by mail to any address on receipt of price, 50 cents a box, or three boxes for \$1.25, by Dr. Swayne & Son, Philadelphia. Sold by all leading druggists. In Woodstock by Dr. D. D. CARTER.

AN ASTONISHING FACT.—A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of Druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for ten cents to try. Three dollars will relieve the worst case. Positively sold by all Druggists on the Western Continent. For sale by Dr. D. D. Carter & B. Schmitt, Woodstock, Va.
