Mr. John H. Dean, one of the best known residents of Winchester, died at his residence there on Friday night of last week, after a lingering illness of over four months. He had many friends in this place who will be truly sorry to hear of his death.

Judge F. R. Farrar, (Johnnie Rob) well known to the people of this place, where he lectured several times, was found dead in his bed a few days ago, in Richmond, Va. He was a man of high intellectual attainments, and his reputation as a lecturer or great power and of infinite humor and pathos was widely known. His subjects were mostly from the Confederate soldiers in the war and Old Virginia characters and scenes. His death will bring sadness to many hearts, especially those of the old Confederates.

More than twenty million free samples of DeWitt's Witch Hazel Salve have been distributed by the manufacturers. What better proof of their confidence in it's merits do you want? It cures piles, burns, scalds, sores, in the shortest space of time. L. R. Irwin.

One Minute Cough Cure, cures.
That is what it was made for.
After months of weary suffering from malignant cancer "Uncle" Jonas Stephens, one of our oldest colored men, passed away on Friday. A number of years ago he had his hand amputated which had the effect of arresting the disease until some months since when it reappeared making rapid progress. "Uncle" Jonas was an honorable, upright man, and had won the kindly regard of every man, woman and child in this place. His death has caused a feeling of sadness throughout our community.

"Let me give you a pointer," said M. F. Grege, a popular conductor on the Missouri Pacific railroad. "Do you know that Chamberlain's Colic, Cholera and Diarrhoea Remedy cures you when you have the stomach ache? Well, it does." And after giving this friendly bit of advice, the lolly conductor passed on down the aisle. It is a fact that thousands of railroad and traveling men never take a trip without a bottle of this Remedy, which is the best cure for bowel disorders in the world. 25 and 50 cent bottles for sale by L. R. Irwin.

Again has death taken another of our old and best known residents, one who will be widely missed, and whose death will cause universal sorrow and regret. Mrs. Charlotte Keller, who has been ill for some months, died suddenly and unexpectedly on Monday evening. Although she had been very ill for some time, she had apparently improved greatly during the past week, so much so that she was able to sit up for a little while. The day of her death she was assisted to walk through the room. A violent hemorrhage of the lungs was the cause of death. Mrs. Keller was a good woman and much beloved. A full obituary will be found in another column.

It is always gratifying to receive testimonials for Chamberlain's Colic, Cholera and Diarrhoea Remedy, and when the endorsement is from a physician it is especially so. "There is no more satisfactory or effective remedy than Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Dr. R. E. Robey, physician and pharmacist of Olney, Mo.; and as he has used the Remedy in his own family and sold it in his drug store for six years, he should certainly know. For sale by L. R. Irwin.

Messrs. H. Lee Young, Lee Briglet Barney (Cincinnati), Moses Walton and Dr. H. H. Irwin, returned Monday evening from their fishing encampment at Overall's Page county. They report a good time, and as they caught more fish than they could count they were not able to give us the exact number.

A short time before the party left, and while waiting for the train, Bob Brown, their colored cook, was taken very sick, supposing from lead poisoning from some of the canned provisions. Poor "Froggie," was in an awful fix, and as he sprang over the railroad track, straining as if he would "bling" in his immortal soul, he thought it was at least 5 o'clock for him. Finally recovering somewhat from his deadly sickness he looked down on the track where he had vomited, and there saw a lot of rusty railroad spikes. With eyes fairly peeping from his head, he called out, "Good lord!" Just looker her gentlemen, and see what it "bling" up. No wonder I was sick when the old things inside of me. Somebody must have poked them down my throat while I was asleep. It was enough to kill me!

DeWitt's Witch Hazel Salve has the largest sale of any Salve in the world. This fact and its merit has led dishonest people to attempt to counterfeit it. Look out for the name who attempts to sell you an account of it. It is a great relief when you call for DeWitt's Witch Hazel Salve the great pile cure. L. R. Irwin.

OBITUARY.
MRS. CHARLOTTE KELLER.
Mrs. Charlotte Keller, a well known and highly esteemed citizen of Woodstock, died on Monday evening in the 70th year of her age.

She was a daughter of John and Barbara Jordan, and was married to Jacob Keller, who died 20 years ago. She was the mother of four children, two sons and two daughters, three of whom are living, one daughter having died in her childhood.
"Aunt Charlotte," as she was usually called, had many warm friends. She was a woman of good, strong mind and retentive memory, and was often sought for information, concerning the unwritten history of our town and vicinity for the last sixty years and more. She was positive in her likes and dislikes and was frank to speak her mind, so that you always knew where she stood in regard to the passing events of the day. Early in life she became a member of the Reformed church and was ever ready to give an account of the faith that was in her.

She lived a good, ripe old age, but for the last eighteen months her natural forces began to abate. Her last sickness was short, but rapid in its progress; as the day closed on Monday, she closed her eyes on the scenes of this life forever.

Her funeral took place on Tuesday evening at 4 o'clock, from St. Paul's church, conducted by her pastor, assisted by Rev. Bishoping.
Sympathizing friends and relatives followed her earthly remains to her last resting place, in Massanutten cemetery, where they shall quietly repose until the coming of our Lord and Saviour Jesus Christ to judge the world in righteousness.

A very sad death occurred at Calvary Monday night, when Mrs. Philip W. Sheetz passed away leaving an infant but a few days old.
Mrs. Sheetz was, prior to her marriage, Miss Mattie O'Flaherty, daughter of the late Daniel O'Flaherty, of Powell's Fort. We have not been able to learn her age but suppose she was between twenty-five and thirty years old.
Her remains were taken to Powell's Fort Wednesday and interred beside those of her parents.

Her bereaved husband, brothers and sisters have the sympathy of many friends.

FELLOW DEMOCRATS—
Again it becomes necessary to tax your patience by replying to several statements which appeared in that celebrated paper, The Edinburg Sentinel in last week's issue.

This paper tells you that the author of the article which appeared simultaneously in the Shenandoah Valley, The Shenandoah Herald and The Strasburg News of the preceding week signed "A Democrat" was afraid to sign his name to said article.

Follow Democrats as the author of that article I desire to notify the Editorial Staff of that vacillating sheet that by calling on either of the Editors of the papers aforesaid the name of the author will be given, and they will not be referred to irresponsible parties to daddy, its responsibility. Let not the staff of the Sentinel referred to be deluded with ideas that any body is in the slightest degree terrified at either of the Editorial Staff aforesaid, or the author of said editorial.

It seems very singular indeed that one of the large Editorial staff of a paper that is noted for concealing the authorship of its editorials, should be apprehensive of not being able to get the writers name. I have no repulsion to stand sponsor for my communications.

The Sentinel tells you that I am trying to hide behind the cry of "Stop thief" aimed at the innocent, I have neither charged them with theft nor innocence, and I do not prefer either charge now. But there is one thing quite certain, that the people who are guilty of all the crimes known to politics, are not the innocent by any means. The writer is also certain that if the gentlemen whose innocence the Sentinel proclaims were put on trial for their political innocence, the offense proven would be so great, that the prisoners would be condemned and sentenced to five years at hard work on the Editorial staff of the Sentinel with instructions to ascertain in that time, if possible, the politics of said paper, the correct ownership thereof, in view of the conflicting statements thereto, and at the end of said period be relegated to the ranks of private citizenship, which to some people would be equal to the death penalty.

In conclusion I desire to say that I hope it will not be necessary for me to say anything further in reply to the Sentinel, for indeed I have but little respect for a paper that purports to be a Democratic paper, and is at the same time edited and owned by two Republicans. Neither have I any respect for a Republican paper edited and owned by Democrats, for in both cases you have either men who have not the courage of their convictions, or men who have no convictions. It must be one or the other of these two things.

Signed,
A Democrat
The Lutheran Sunday School held its annual picnic at Pugh's Run Thursday. Many invited guests were present. Everything good to eat was served in profusion, and the day was most enjoyably spent. The only drawback to the pleasures of the day was owing to the fact that Messrs. L. S. Walker, W. L. Dosh and R. G. Anderson were suffering from dyspepsia to such an extent that they could not eat a mouthful of anything except a small quantity of boiled milk.

HOW IS YOUR HORSE?
Is he suffering with Heaves, Cough, Distemper, for INDIGESTION?

If you will be good to know that I have just received a large stock of Newcomb's Great Heave, Cough, Distemper and Indigestion cure, for these distressing ailments.
Read the following from a suffering horse-
"This is no ordinary case. I was treated without Liver or Light. I suffered tortures for years and tried all remedies that seemed to fit my case, but without satisfactory results. I was finally induced by a friend to try Newcomb's Great Heave, Cough, Distemper and Indigestion Cure. After using the first can my condition began to improve, and when the third can was used, I had a LIVER that weighed TWENTY FIVE POUNDS and Electric Lights.
Yours truly,
JOHN HORSE.
