 AND STANDARD BRED STALLIONS AND MARES.

Our horses were selected by a member of the firm direct from the breeders of Europe, and are descendants of the most noted prize winners of the Old World. We paid spot cash for all our stock and got the best at great bargains and were not obliged to take the refuse from dealers at exorbitant figures in order to obtain credit, thereby enabling us to sell better animals at better prices, longer time and a lower rate of interest than almost any other firm in America.
 We have also the most superior system of organizing companies and stock syndicates in this country, and insure satisfaction. We call especial attention to our references. By these it will be seen that we are not handling on commission the refuse horses of dealers in Europe. With us you get a square transaction, a good animal, a valid guarantee, and will compete with any firm in America on prices and terms beside.
 Write us for descriptive catalogue, and mention THE ADVOCATE.

The Kansas City Stock Yards

Are by far the most commodious and best appointed in the Missouri Valley, with ample capacity for feeding, weighing and shipping cattle, hogs, sheep, horses and mules. They are planked throughout, no yards are better watered, and in none is there a better system of drainage. The fact that higher prices are realized here than in the east is due to the location at these yards of eight packing houses with an aggregate daily capacity of 3,000 cattle and 37,000 hogs, and the regular attendance of sharp, competitive buyers for the packing houses of Omaha, St. Louis, Indianapolis, Chicago, Cincinnati, New York and Boston.
 All the sixteen roads running into Kansas City have direct connection with the yards, affording the best accommodations for stock coming from the great grazing grounds of all the western states and territories, and also for stock destined for eastern markets.
 The business of the yards is done systematically and with the utmost promptness, so there is no delay and no clashing, and stockmen find here and will continue to find that they get all their stock in worth with the least possible delay.
 Receipts for 1890 were 1,472,228 cattle, 76,568 calves, 2,955,171 hogs, 535,869 sheep, 87,118 horses and mules. Total number of cars, 108,160.
