Some of the members of the Lone Star Sunday school met at Pleasant View and organized a Sunday school of about 32 scholars Sunday, the 28.

Riggle Bros. grocery has a window display if Pickwick coffee that is attracting considerable attention. We naturally supposed that the display was made up of dummy cans, but this idea was spoiled when we were shown that the cans were genuine and full of real coffee. Dear Mary:—
I've just got me a new ice box. You must get one just like it. Why, the bad air is drained away and there is not a foul odor left. It'll save enough on doctor's bills in one summer to more than pay for it.
The very health of your whole family depends upon having a sanitary refrigerator. Don't wait.
In haste—HELEN.
P. S.—A good ice box doesn't cost much either when you get from
