MANY INTERESTING RED CROSS MEETINGS

A good meeting was held in the school house at Hayne Monday evening, E. A. Pennington presiding and introducing the speakers, Eugene Davis, and Harry Gaskill, who gave some arousing talks to about 100 people.

The Sunlay school class of which Harry Dodd is teacher served an ice-cream supper.

Several Liberal folks were in attendance. A most successful meeting was held at Bethel Monday evening. A well prepared and interesting program was given by the school, followed by some live Red Cross speeches by Miss Maude Saunders Rev. MacLennan and Rev. Wilkinson.

The people of that vicinity gave the people a good attendance and seemed very much awake to the Red Cross work and its needs. The meeting at Antelope Valley surely was a splendid one from the praise given it by one who attended.

A program by the people of the neighborhood, under the direction of Miss Gertrude Carpenter was indeed one of much interest.

F. O. Rindom and J. N. Evans made some very profitable talks on the Red Cross work. Harry Gaskill surely gave them the facts of what the Red Cross was doing and could continue doing with every American doing his or her part, in a most impressive way.

Leo Miller, the Boy Scout Red Cross speaker deserves much credit for the five talk he gave to the boys and girls of their duties and possibilities in doing their bit in the up-keep of the Red Cross.

At the conclusion of the speaking an auction of pies was held, 16 pies bringing \$47.

The people of Antelope Valley are a live enthusiastic bunch and have had a Red Cross organization for some time.

Not many were in attendance at the meeting in the Wide Awake school house on account of the prevailing epidemic, but Rev. Wilkinson and Judge Grinstead delivered some splendid addresses to those present and seemed thoroughly in sympathy with the work.

Tuesday evening Paul Gates and Vern Light presented the benefit derived from the Red Cross, their methods and present needs to a large crowd at Kismet, and which was the means of arousing many to an active part in the work and the planning of the Red Cross Sale to be held in the near future.

Wednesday evening Eugene Davis D. K. Baty, Harry Gaskill and Leo Miller gave some enthusiastic and arousing talks to a well filled house in District 3, at the Hamilton school house.

S. A. Miller made a business trip to Kismet Tuesday.

CARPET CLEANING MACHINE GETS DIRT

C. H. Leete Has Installed Machine For Cleaning Rugs.

A representative of The Democrat was a visitor at the Eureka Steam Laundry the first of the week to see the new rug cleaning machine recently installed.

The machine consists of a huge wheel inside of which are shelves. The wheel is inclosed in a room from which a powerful fan drives the dust. As the big wheel revolves the rug is carefully dropped from one shelf to another and is rolled and unrolled in its travels, until when it comes from the machine it is as clean as can be.

Mr. Leete says he is cleaning as high as thirty rugs a day with the machine. If your rug needs cleaning call him up and have it out with him.

See "Claim Allowed" at the Majestic Wednesday.

SUNDAY AT THE M. E. CHURCH

Mother's Day was observed in the Sunday school with a unique feature. The men of the school composed the choir. It was arranged to have ninety-nine men in the chorus and in the school. By actual count they were a few short of the number; however, they sang the old song, "There Were Ninety and Nine and Tell Mother I'll Be There." It was a splendid scene and a very appropriate one with which to honor mother.

The program given in the evening by the Epworth League was of special interest. The Honor Roll and the Service Flag was dedicated with fitting ceremony.
