## The New Hoosier Cabinet

Puts your whole kitchen at fingers' ends, and cuts your work in two. We'll put one in your home tomorrow

For a Single Dollar

We started Saturday to explain the new Hoosier Plan by which we are permitted to sell a few of these famous cabinets on surprising terms.

Most of Them Are Already Taken

This plan differs from any other on which furniture was ever sold. Note the details.

1. One dollar puts any Hoosier you select in your home.
2. One dollar weekly dues quickly pays for it.
3. The low cash price fixed by the factory prevails absolutely.
4. The sale is under direct supervision of the Hoosier Company.
5. When the allotment is taken, the sale closes.
6. If you are not delighted with your cabinet we will gladly refund your money.

When you think of the miles of steps this cabinet saves you every day, can you daily postpone looking at these cabinets until it is too late to enroll? The time is getting short. Come in tomorrow and look at these Hoosiers. You place yourself under no obligation.

You will not be asked to buy unless you realize yourself the need of this cabinet in your home. But if you do not enroll, remember, some other woman will enjoy the privilege that is now yours if you enroll tomorrow. Nothing you have ever seen will save you so much labor in your kitchen, if you act now.

## Memoirs of Napoleon

In Three Volumes

This man caused the last general European war.

His personal memoirs, written by his secretary, Baron De Meneval, are full of the most absorbing incidents, especially in view of the present great European struggle.

Just a hundred years ago, his ambitions bathed the Continent in a sea of blood. France alone, under his leadership, fought Germany, Russia, Austria, Italy, and Great Britain—and won.

### Get these Memoir Free
