Died, near Rollin, May 9, 1897, of dropsy and rheumatism, Freddie Rettig. The deceased was born in Neosho county August 22, 1884, his age being 12 years, 8 months and 29 days. Freddie had been a constant sufferer for over four years and has always borne his suffering patiently and cheerfully. He was bright beyond his years and always had a smile and kind word for every one. To know him was but to love him. He has gone to the home from where none ever returns, but his memory will live continually in the hearts of those who knew him. His life was short in this world, but he has set an example of devotion, faith and love, which all would do well to follow. He was a member of the German Lutheran Church. Services were conducted by the Rev. Shord at the home of his parents. He leaves a father, mother, one sister and three brothers to mourn his loss. The bereaved family have the deepest sympathy of their many friends.
