

EUREKA! EUREKA!

That is what all sheller men say when they use the Eureka after trying all other makes for it is the only Perfect and Reliable Sheller on the market. Some attempts to copy it, while others say our statements in regard to its superior points over other machines are untrue. But, WE SELL the Corn Shellers in Reno and adjoining counties, as every business man and farmer in our territory must admit if he tells the truth.

We have already taken 55 orders for power shellers, come in and we will show you the names.

We are general agents for the Eureka Sheller for Reno, Sedgwick, Sumner, McPherson, Rice, Harvey, Cowley, Barton, Kingman, Butler, Barber, Pratt, Harper and Stafford counties.

We claim the Eureka is the only Reliable Sheller on the market, and is the only Sheller, any conservative man can afford to buy. See if our reasons below are not sensible.

1. It can not be choked or clogged.
2. Cleans corn better than any other Sheller on earth. We can prove it.
3. Has improved large throat.
4. Has new improved hopper.
5. Has the only positive force feed on the market, because it has 3 beaters.
6. Has more room in separator which gives it the largest cleaning capacity. We need this room for it shells corn faster than any Sheller made.
7. It is the only Spring Sheller made that can be run over 800 revolutions per minute without throwing corn over.
8. We guarantee to run the Eureka 1,000 revolutions per minute without throwing corn over, and without injuring the machine.
9. It is by far the most complete and simple machine yet made.
10. Costs less for repairs. Why? Because it has no riddles, pitmans, or shake-shoes to jerk and break to pieces.
11. We carry the only complete stock of repairs in Kansas, because we are general agents for 14 counties.
12. We sold 14 Eureka Shellers at Hutchinson last fall, while none of our would-be competitors sold a sample. Why? Come and see our Sheller and you will see why.
13. We claim to be the only practical sheller men in Reno county, because we sell the Shellers and understand our business.
14. We furnish with our Eureka an improved 8 Horse Pitts power which runs lighter than any Sheller Power and will last twice as long.

Has over and Killed.
William Edwards, a miner en route to Trinidad, Colo., was run over by a Santa Fe train Monday evening near the Mo. Pacific crossing west of town. He in company with a fellow miner named Rule, had gone to the crossing hoping to catch a train out of the city and sat down to rest and wait. Edwards laid down on the track, but was cautioned by his partner that it was a dangerous thing to do but, Edwards replied that he was not going to sleep. But it seems both men did go to sleep and Edwards was mangled beyond recognition. The coroner was notified and the body taken to undertaker Johnson's rooms, where the next day a coroners jury sat on the body and returned a verdict as follows:
We, the jury, upon our oath do say that Wm Edwards came to his death by his own carelessness of going to sleep on the Atchinson, Topeka and Santa Fe railroad track.
The body was buried in the potters field by the county. From his partner we learn that he was a married man but had no children.

\$384,255,128.00.

It is spent annually for tobacco. Thousands of men die every year from that dreadful disease, Cancer of the Stomach brought on by the use of Tobacco.

The use of tobacco is injurious to the nervous system, promotes heart troubles, affects the eyesight, injures the voice, and makes your presence obnoxious to those clean and pure from such a filthy habit.

DO YOU USE TOBACCO?

If you do, we know you would like to quit the habit, and we want to assist you and will, if you say the word.

How Can We Help You? Why, by inducing you to purchase a box of COLLI'S TOBACCO ANTIDOTE, which is a preparation compounded strictly of herbs and roots, which is a tonic to the system; also cures the Tobacco Habit and knocks cigarette sily.

How Do We Know it Will Cure You? First, by its thousands and thousands of cures; Second, by the increased demand for it from the most reputable wholesale houses; Third, we know what it is composed of, and that the preparation will clean the system of nicotine, and will cancel all errors of the past.

Your Druggist has Colli for sale. If he has not ask him to get it for you. If he tries to palm off something "just as good," insist on having Colli. If he will not order it for you, send us \$1.00 dollar, and receive a box of Colli postpaid. Remember, GOLD U.S.A.

In most cases one box effects a cure, but we guarantee 5 boxes to cure anyone.
