The Case Affirmed.
The supreme court affirmed the decision of the lower court in the case of Will Oliver, charged with attempting to wreck a Santa Fe train last year east of town.

He has had two trials and nothing will now prevent his going to the state penitentiary. Oliver was a hard working man and has friends by the score who will never believe that he is guilty of the charge. Without casting any reflections on the court, we wish to say that had he merely wrecked a whole road he would have stood a good chance of going to the United States senate.

REIGN OF HIGH CARNIVAL.
St. Louis in a Blaze of Glory. Seven Weeks of Uninterrupted Gaiety.
The name of America's greatest carnival center—St. Louis—will be blazoned on the skies of gaiety from September 4th to October 19th, 1895. The eighteenth annual reign of carnival will precede the city, and for seven weeks European capitals noted for their seasons of mystery and regal entertainment will gracefully bow to the superiority of the city on the banks of the Mississippi.
September 4th will mark the opening of the Twelfth Annual St. Louis Exposition. This splendid feature of St. Louis' carnival period will remain open until October 19th. In addition to Sousa's world-famed band, many new attractions will be offered. September 4th to 14th, the celebrated French Equilibrist, the Kins-Ners, will appear. September 15th to 28th, Calcedo, "the King of the Wire," and Louis Oloriz, "the Man Monkey" by their unique entertainment will delight the fun-seeking public. September 30th to October 12th Ivan Tschernoff's celebrated educated Russian dogs, are carded for a series of wonderful performances. October 13th to 19th, Price Koko, the greatest Japanese Juggler alive, will fill an engagement, while Buck Taylor and troupe of native Sioux Indians and Miss Cornelia Campbell Bedford, of New York Demonstrator of Cooking, will appear every day during the Exposition season. The mysterious personage, King Hotn and his retinue will give a daylight parade September 28th. This is one of the most unique attractions of the carnival season in St. Louis, and is grotesquely staged. October 7th to 12th, the world-beater, the great St. Louis Fair will be the chief attraction. On the evening of October 8th, His majesty the Vailed Prophet and royal court will parade the principal thoroughfares of the city, followed by the famous ball, which is known of throughout the land.

All the St. Louis theatres, during the season of high carnival have billed most excellent attractions. Among the number might be mentioned "Triby" - Lyceum Theatre Company; "Chas. Frohman's Stock Company, Hoyt's "A Black Sheep," DeWolf Hopper, etc.
The management of the Missouri Pacific Railway and Iron Mountain Route constantly having the interests of St. Louis in mind, will sell tickets from all points on the system to carnival city and return at greatly reduced rates.
