

How to be Healthy and Happy.

Don't work 365 days in the year. Get out into the sunshine. Take a vacation once in a while.

If too busy a "lay off" last summer, buy an excursion ticket at once, via Santa Fe route, to Las Vegas Hot Springs, New Mexico, and stop a week or more at Montezuma hotel. Hot baths, burro riding, sunbiny days, and hunting in the mountains. September climate lasts all winter.

For copy of illustrated pamphlet, address G. T. Nicholson, G. P. & T. A., A., T. & S. F. R. R., Topeka, Kas.

"Among the Ozarks."

"The Land of Big Red Apples" is the title of an attractive and highly interesting book recently issued. It is handsomely illustrated with views of south Missouri scenery, including the famous Olden fruit farm of 3,000 acres in Howell county. It pertains entirely to fruit-raising in that great fruit belt of America, the southern slope of the Ozarks, and will prove of great value, not only to fruit-growers, but to every farmer and home-seeker in other states looking for a farm and a home. Mailed free. Address, J. E. Lockwood, Kansas City, Mo.

Personally Conducted Excursions to California.

Jack Frost stimulates travel. When he touches our ears, we think about getting warm. California has the ideal winter climate—just far enough south to be sunshiny and frostless, and yet with sufficient tonic in the air.

Santa Fe route takes Jack Frost's hint, and has arranged a series of personally-conducted weekly excursions to California. Pullman tourist sleepers, furnished with bedding, toilet articles, etc., leave Chicago and St. Louis every Saturday evening, and leave Kansas City every Sunday morning, via A., T. & S. F. and A. & P. line, for Los Angeles and San Francisco, on fast express trains.

Special agents and porters in attendance. Second-class tickets honored. A small charge for use of tourist sleeper. Everything neat, clean and comfortable.

Inquire of nearest ticket agent, or write to G. T. Nicholson, G. P. & T. A., Santa Fe route, Topeka, Kas., for a copy of folder describing these excursions.

NEW SERVICE TO NEW YORK.

The Memphis to Put on a Fast Train From the South to Gotham.

The Memphis road has completed all arrangements for a fast vestibule train service between Memphis and New York by way of Atlanta and Washington. The service will be inaugurated next Sunday, the 20th. The east-bound train will leave Memphis at 9:30 o'clock each night, reaching Atlanta at 11 o'clock the next morning and arriving in New York at noon of the following day. The run from Memphis to Atlanta will be made in fourteen hours, which is a pretty lively gait, and the record from Memphis to New York will be broken by about three hours. The trains to be used in this service are as fine as anything in the country, and are fully equipped with the necessary conveniences of a modern railway train. To the business men of the southwest, and to patriots enroute to Washington about the 4th of March, President Newton's improved service on the Kansas City, Memphis & Birmingham line will prove of much benefit.

The Kansas City Stock Yards

Are the most commodious and best appointed in the Missouri valley. The fact that higher prices are realized here than in the east is due to the location at these yards of eight packing houses, with an aggregate daily capacity of 8,000 cattle and 27,000 hogs, and the regular attendance of sharp, competitive buyers for the packing houses of Omaha, Chicago, St. Louis, Indianapolis, Cincinnati, New York and Boston. The eighteen railroads running into Kansas City have direct connection with the yards.

WM. AUSTIN, AUSTIN & GRAY BROS., EMPORIA, KANSAS,

Successor to Importer and Breeder of Suffolk Punch, French Coach English Shire, Clydesdale, Percheron and Standard Bred Stallions and Mares.

My horses were selected direct from the breeders of Europe, and are descendants of the most noted prize winners of the old world. I paid spot cash for all my stock and got the best at great bargains and was not obliged to take the refuse from dealers at exorbitant figures in order to obtain credit, thereby enabling me to sell better animals at better prices, longer time and a lower rate of interest than almost any other dealer in America. I have also the most superior system of organizing companies and stock syndicates in this country, and insure satisfaction. I call especial attention to my references. By these it will be seen that I am not handling on commission the refuse horses of dealers in Europe. With me you get a square transaction, a good animal, a valid guarantee, and will compare with any firm in America on prices and terms besides. Write me for descriptive catalogue and mention THE ADVOCATE.

WEBER GAS AND GASOLINE ENGINE
Simplest and most economical engines on earth. Fully Guaranteed. A boy starts it, requires only a few minutes' attention a day. Guaranteed cost of running 1 ct. per hour per H. P. Write for catalogue. Address Denver 95. **Webber Gas Engine Works, KANSAS CITY, MO.**
