OF

**WICHITA, KANSAS,**

SEND GREETING

And wishes to inform the public of the Southwest that they are prepared to furnish comfortable and pleasant rooms, board and other accommodations for visiting patients coming here for treatment of various diseases.

The city of Wichita is situated in the center of the famed "Italy of America," Southern KANSAS, the most salubrious climate in the United States, on the Arkansas river, and easily accessible by railroads diverging in every direction.

All patients of the Institute are at all times under the charge and direction of Drs. Hall & Bennett, whose constant presence and personal supervision as to diet and other sanitary regulations enable them to perfect cures more rapidly than under other conditions.

They politely invite all persons to read this card and give their attention to the following facts: Having located in Wichita two years ago and built up a large practice here and in adjoining towns they have located permanently, and will continue to

TREAT AND CURE ALL THE FOLLOWING

**ACUTE and CHRONIC DISEASES**

OF BOTH SEXES.

Women are successfully treated for all diseases of their sex, such as inflammation, Ulceration, Misplacement or Prolapsus of the Womb, and all Uterine diseases, Polypus and Fibroid Tumors, causing too frequent and painful menstruation.

They treat all diseases mentioned below, and all other Uterine troubles.

**Leucorrhoea or Whites**

Is a whitish discharge from the vagina—the discharge is sometimes brown or green—lasting the whole time in some cases, and part of the time in others. This debilitating loss will produce a host of symptoms—pains and weight in back and loins, acid stomach, colic, poor appetite, hollowing of eyes, chilliness, palpitation of the heart, mental depression.

**Menorrhagia.**

Morbidly profuse menstruation, too great frequency, or too much at each time. The circulation is quickened, the mouth hot, the tongue dry; there is a general depression, with headache and giddiness—no more depressing disease, and sure, if not cured to disarrange every other function.

**Dysmenorrhoea.**

Painful or difficult menstruation can be cured and save other complications.

**Prolapsus Uteri, Falling of Womb.**

Often met with in women; a distressing complaint; requires a cure.

**Inflammation of the Vagina.**

Increased heat and soreness, dry, swollen, painful itching at times. If not cured in time, discharges set in, almost like venereal gonorrhoea, and then no doubt cohabitation will confer it.

**Impotence and Sterility in Women.**

We have treated many cases with success. Who would not enjoy life and have children? All true women, one would say. Call or write fully—give a full history and you shall be cured.

Women, take courage! there is a bright side to every cloud. A pale face, sad, distressed countenance, listless eyes, a disinclination for society, despondency, nervousness, indicate that some obscure disease is robbing you of nature's noblest gift—blooming health. It's a duty to yourself and those sympathizing friends around you to overcome that feminine timidity and delicacy which prevents you from consulting some eminent, kind-hearted physician, either by letter or personally, and obtaining such assistance as will be a blessing to you for life.

We also successfully treat all kidney and bladder trouble of male or female, such as

**Paralysis Neuralgia.**

Foreign bodies in the bladder and urethra causing too frequent and painful urinating, and all forms of

**Private, Chronic and Sexual.**

Diseases, such as spermatorrhoea, impotency, and all the unpleasant results of such troubles.

**Syphilis.**

Positively cured and entirely eradicated, from the system.

**Gonorrhoea**

Cured in from three to eight days or no pay.

**Gleet and Stricture.**

Cured in patients of years standing.

**Piles.**

and other diseases of the genito-urinary organs quickly cured. We guarantee all curable cases.

We could give you many letters from patients that have been cured by us, ever in your own town, but do not make capital out of our patients. Everything is private and confidential. Consultation free and invited. Do Not Forget the Place.
